Oxen during her natural life and if she has living Children
to her heirs or Heirs forever - should she die without a Child,
to return to my Estate - the above property to be allotted Eliza-
beth by my Will, Fourthly I give to my beloved Daughter,
Frances A. Shore and the Heirs of her Body, the Tract of Land
purchased of West of Tucker & One negro child named Mariah,
now in her possession - Fifthly, I give to my Daughter Isabella
Hylasgon, the wealth of One York of Oxen, Sixthly, I give
my Daughter, Mary A. Philpot, One York of Oxen & Cows
of calves, & fifty Dollars worth of Stock Hogs - Seventhly I appoint
my beloved wife Elizabeth W. Taylor my executrix, to this my
Last Will & Testament, during her life, lastly after the death of my
wife, it is my wish that all my property of every description, should be
equally divided, amongst my Children viz. Frances A. Shore, Isabella
Hylasgon, Mary A. Philpot, my son Thomas, and Elizabeth
with the exception, that the property of Thomas & Elizabeth return
to my Estate, immediately if they should die without a living Child,
I appoint my beloved son, Thomas, John Hylasgon, & Edward Philpot

after the death of my wife Executrix of this my last Will & revoke
all others of a prior date, given under my hand & seal, this 20th day of April
in the year of our Lord, 1838.

N.B. It is not my wish, that my deceased children, Willis, &
Ann, Joseph, or John Goode, or their Heirs, should
inherit any more of my Estate - J. T. Joseph Taylor

I give to my Daughter Elizabeth the Tract of Land purchased of Mill
on the same terms that I have given her the rest of my property in
this Will. J. Taylor

I Joseph Taylor, did on the twentieth day of April in the year of our Lord
one thousand eight hundred and thirty three make my last and most dear
one of my Estate, as I then wished, it to be distributed at my death, God
be in his Mercy permitted me to live until this twenty fourth day of
May in the year of our Lord, One thousand eight hundred and thirty eight,
still in good health and sound mind, and as many changes in my
family have taken place, since I made my said Will, I now wish
to add a Codicil thereto explaining my said Will and make
some changes in the disposition of my property, suitable to the changes in
my family, of children, grand children and my departed wife. First,
I have already given and secured by Deed, of gift to my sons Thomas
the Land, Negroes, Hogs, Horses and Cattle, named in my Will, to
be given to him, which about an Equal portion of property a hundred
given to my other children, I wish the said Thomas after my death,
to have an Equal childly portion of the property then to be distrib-
uted. Secondly, my Daughter, Elizabeth, having died, since the
making of my said Will, and left an only child, and Heir
of her body, named Ann Goode Powell, now it is my wish,
that the said Ann Goode Powell, child of my deceased daughter,
Elizabeth, shall have the portion of my property, bequeathed in my
said Will, to the said Elizabeth, and on the same conditions that is,
after my death be given, to the said Ann Goode Powell, during her
natural life, and at her death to the heirs of her body an Equal portion
of my property at my death, but should the said Ann Goode Powell
die without heirs or heirs of her body, the property hereby given, and
the increase to Return to my Estate and be disposed of as directed
in my said Will, my Daughter Elizabeth during her life, received
by Deed of gift, with conditions therein named, the Ten negroes,
Horses, cows & calves, & stock Hogs of Oxen mentioned in my Will,
to be given to her, which was about an equal portion with my other
children, which I now consider belongs to the said Ann G. Powell, as
part of her childly portion. Thirdly, my grandson Howell Taylor, child
of my deceased son, Joseph Taylor, has Heirs the property I gave
his father, & also has had Will to him, the property I gave my deceased

30 Son Willis L. Taylor which is Equal or more than his proportionate share.
I therefore do not wish that the said House to have any more of my
Estate at my death. Fourthly, as my beloved wife, Elizabeth named
in my will as executrix has departed this life, I wish the said Executors
in my will as executrix to act as such, both as to my will & this bequest
And after my death, the Expenses paid of a decent Burial, I then
wish my Executors to distribute my Estate according to my will
With the changes made by this Civil Witness my hand & seal
the day and date above Written.

We find the article allowed by the board
missionary appointed to lay off a year
provisions for the support of the Mission
to be greater in amount and other than
such as he think contemplated by the
statute on that subject and have
therefore only allow'd the Administrator

find that the Estate will only pay
