Hobson & Whitman

State of Tennessee
Waywood County Court } April Term 1837

State of Tennessee Waywood County
March 25th 1833 } In the name

of God amen, I Maclin Bess calling to witness the mortality of my body, and knowing that it is appointed for man once to die, do make and ordain this as my last will and testament. As it has pleased Providence to bestow what I have I wish to dispose of it in the following manner, to wit, In the first place I have made my wife Sarah a deed of gift for all that I wish her to have, which is recorded in Wayne St. Co. which provides for her life and afterwards to go to my daughter M. F. M. Since the gift there has been a Negro woman sold by the name of Kitty Fisher, I now give them a negro girl by the name of Mary in lieu of Kitty if they think proper to take her, which is all that I intend, as my wife's conduct has been very contrary to me, my child is also provided for by the will of her grandmother Dec.

Item 2nd My daughter Sarah Heath of Virg. I give ten dollars. It is not for the lack of affection that I give her money, but because that she is suffering provided for by the will of her uncle James Watson dec. I think they have plenty.

Item 3rd My daughter Maria Willis I have give them their full share they must be satisfied.

Item 4th My daughter Nancy W. Hail I give four negroes to wit, Willy & Child George, Girl Melilla and a boy by the name of Nathan on their giving up their claim to my son George dec.

Item 5th My son Henry A. I give a negro girl Eliza in addition to what I have before given him I sell with him to have the residue of money after settling my son George's Estate.

Item 6th My daughter Rebecca I give a negro girl Sally.

Item 7th My daughter Susan I give a Negro Woman Elce upon their paying R. Jane & Susan each twenty five dollars for the difference in value of Negroes.

Item 8th My daughter Susan I give a Negro girl Levine.

The residue of my Negroes not given away with their increase I wish to be annually hired out from year to year and all my perishable property sold by my executors hereafter named and the monies arising from the sale and hire to be yearly accounted for amongst R. Jane, Julia Loftin & Susan L. provided they give up their claim to my son George's Estate. My object in this provide is to prevent any more of my Negroes being sold. I do nominate and appoint my daughters Jane and Susan L. Executors to this my last will and testament so long as they shall faithfully discharge their trust but should they fail I hope they may be called upon by the honorable Court of Waywood County to give security for a discharge of duty on the estate taken from them.

In Witness whereof I have hereunto set my hand and seal the day and date first written.

Signed M. Bess Seal

It is understood between Henry A. Bess and myself that I am to have fifty acres of land adjoining his which is marked off tho' not deeded. I wish when the articles of my will are complied with for him to make a deed of said land to R. Jane & Susan L. jointly for their benefit. Witness my hand & seal this 10th April 1833.

Signed M. Bess Seal

My wish and desire is that my daughters R. Jane & Susan L. hire out my Negroes at private hire and account for the monies as within directed. Witness my hand and seal 17th January 1834.

Signed M. Bess Seal

As a Codicil to my last will.

On examining this my last will, I find it not exactly to my mind, I think proper to make some alteration, believing that I ought to do more for my ^{daughter} Maria & Mills, I give to her the Negro girl Mary that I gave in my will to my wife Sarah & daughter M. F. M. not wishing them to have any of my Negroes.

I then will that the Negro boy Nathan which I had given to my daughter M. W. Watt to be kept all the rest of my Negroes not killed away, and hired out Annually and monies arising from the hire to be appropriated as in the Will directed.

The last will & Testament of John Hanley deceased 296

In the name of God Amen, I John Hanley of the County of Maryland and State of Tennessee, being Old and infirm, but of Sound mind and memory, knowing that it is appointed for all men to die; I do make and ordain this my last will & Testament, revoking all others heretofore by me made, It is my Will that I should be buried in a decent and Christian like manner, and all my funeral expences first paid.

Secondly, It is my Will that all my just debts be paid out of my estate, as soon as it can be done.

I will and bequeath to my beloved daughter Jane Elliott wife of Samuel Elliott, one dollar in Cash, having heretofore been as liberal towards her as my Circumstances would permit.

I Will and bequeath to my beloved daughter Elizabeth Welton, wife of Samuel Welton, one dollar in Cash, having heretofore advanced her as far as my means would justify.

I will and bequeath unto my son John Hanley one dollar in Cash, having heretofore paid & advanced him as liberally as my Circumstances would and ought to justify.

I Will and bequeath unto Eliza Baker who married my daughter Francis Hanley, after paying my funeral expences, my just debts, and the above mentioned Legacies, all the balance of my estate & property, whatever Kind I may die possessed of, Consisting of Notes on various persons, and

also a claim I have of two hundred & thirty dollars in Nash County North Carolina at present in the hands of Nicholas Arrington, which said claim I purchased of Hugh M. Cog and his wife Martha, (formerly Martha Screws) It is my Will and I do hereby appoint my said son in law Elijah Baker my sole executor to carry this my last Will & Testament into effect. It is my Will that no security be required by the Court of my said executor, having the utmost confidence in his honesty and integrity.

In testimony whereof I have hereunto set my hand & seal this 3rd day of February in Year of Christ 1837—

Signed, sealed, published and acknowledged in presence of us—
