189

This is a high-contrast, black and white image. The right side of the image is dominated by a large, dark, irregular shape that resembles a silhouette or a large ink blot. This shape has a jagged, organic edge. The background is a light, textured surface, possibly paper, with visible vertical lines and some small, dark specks or dust particles. The overall appearance is that of a scan of a physical document or a piece of art.
