The heirs legatees & creditors
of said deceased.

In pursuance of an act
of the general assembly in such cases made
and provided, I have this day proceeded at my
office in Centerville Tenn. to take and state
an account and make final settlement with
J. H. Bates administrator with the Will annexed,
of the estate of W. H. Carr deceased and
submit the following of the same:

I find said Adm. Chargable with the
following amounts due to the parties named,
on account of former settlement, as shown
therein, to wit:

I find it necessary, in order to equalize the
shares of the parties entitled to the above on fore-
going funds, some of whom have received payments
from time to time and some nothing, to com-
pute interest on the payments made, up to the date of
this settlement, and add said interest to
said amsh. of net funds and divide the whole
among said parties in interest, according
to their respective shares, and charge those to
whom such payments have been made, with
interest on them from the time they were made
up to the time of this settlement.

I find the aggregate amsh. of interest on
payments made since last settlement, exclu-
sive of those made in settlement of payments
shown by said last settlement to be there
due to certain of the parties interest unpaid
to be \$68844

The \$550⁰⁰ note of J.B. Walker mentioned, was given for the proceeds of its house in Centerville, the purchaser S.S. Carothers, soon after the purchase paid the adm. for said house at the price \$550⁰⁰ & interest from date of sale \$2⁰⁰. And the adm. loaned the principal to J.B. Walker and the item of interest charged to the adm. in this settlement as having been ^{paid} before the last settlement is the interest mentioned as having been paid to him by said Carothers,

J.A. Bates Adm. vs M.H. Carr dec. Court.

The bal. of uncollected funds charged to adm. in this settlement consists of parts of the \$1600⁰⁰ pro. Purchase note & 2^d of pro. Co. Note.

J.B. Walker was appointed trustee by the Chancery Court, for M.C. Gentry & her daughter, after its former settlement & that is why its amount shown by said former settlement to be due them was paid over to him as trustee & why the amounts due them as shown by this settlement have been shown to be due him as trustee & paid to him as such.

The Court of the appointment of said trustee was ordered by the Court paid out of the funds due M.C. Gentry & her daughter & that accounts for its credit for payment to R.M. Clay & Co., said C & M's receipt & the receipt of said trustee cover the entire amt. shown by said former settlement to be due, M.C. Gentry & daughter. The amounts due M.C. Gentry under the will were not to be paid to him until he became 40 years of age, but as the amounts were shown & his father, brother, & sisters wanted him to have what was due him now, the same was allowed & be paid to him by its adm. & this account as administrator with the will annexed finally closed.

D.L. Edwards deceased.

J.C. Peeler Admrs. In pursuance of an act of the general assembly of the State of Tennessee, made and provided for in such cases, I have this day proceeded to take and State an account, or more settlement, with J.C. Peeler Admrs. and submit the following report, to wit:

First, this is a final settlement of the personal estate of said D.L. Edwards deceased, and is the third of a series of settlements of the personal and real estate of said deceased, in which the advancements made by the deceased in his life time to his heirs, are collated, and the shares of said heirs equalized as far as practicable, the first of said settlements was made with the administrator, which showed an excess of advancements made to some of the heirs, over the amount of their interest in the funds then in the hands of said administrator for distribution, which excess was carried into the distribution of the proceeds of the real estate, in the case of W.B. Warren et al vs Rella D. Edwards et al, in the County Court of Hickman County, Tenn., but not until after the cash payment and the proceeds of the first land note had been paid and or distributed, no account of advancement in the distribution of the proceeds of the real estate having been called for until said cash payment and proceeds of first land note had been paid and or distribution and settlement of the proceeds of the real estate, into which said excess of advancement was taken, and included, it appears that there was not enough of said proceeds to equalize the shares of all of the heirs, and that after accounting for the excess of advancements brought in from said administrator's settlement, some of said heirs were over paid and some not paid enough to equalize them so far as the proceeds of said real estate undistributed was concerned, W.P. Edwards, one of said heirs being \$69.51 1/2 in excess of his share, the others who were over paid being only \$18.20 1/2 in excess of their shares. Reference is here made to the record of

L. P. Edwards died.

Record said Settlement, which amounts
on minute #11 of the Society Court
of Hickman County, Tenn., on pages 451
to 457 and 457 to 462.

In making this Settlement, I have first charged the Administrator with the amount of funds then on or should have come into his hands since said former Settlement and deducted therefrom such charges as are properly Charges against the general fund, so as to show the net amount in his hands for distribution. For the purpose of making a proper distribution among the heirs and of equalizing their shares as far as practicable, I have added to said net amount for distribution, the amounts shown by said Settlement ~~and~~ distribution, ~~the amount of~~ of the request, to have been over paid certain of the heirs, with interest from the date of said Settlement and distribution, with the exception of the amount over paid said W.P. Edwards, which was not added because its over payment to him was in excess of his share in the funds now in the hands of the administrator for distribution. After adding said over payments with interest to said net fund, I deducted from the aggregate amounts shown by said Settlement and distribution of proceeds of real estate, to be due certain heirs to equalize them, with interest, and divided the remainder among all of the original Share-owners equally, eleven in number, except said W.P. Edwards who is not entitled to share in the distribution of the funds now in the hands of said Administrator, and charged those liable therefor with said over payment with interest as part of their Shares and added to the Shares of those who had not been paid enough in said Settlement and distribution of the proceeds of the real-estate, the amounts due them with interest from date of said Settlement and distribution.

D. L. Edwards dec. 8. Conn

I find the actual funds, that have or ought to have come into the hands of said administrator since his last settlement, by the use of due diligence, to be as follows:

To principal of two notes and a debit
on A. A. Edwards, as shown by said former
Settlement

Net amt. in hands of Admin for distribution \$476.62

56.32

Amount for distribution with over payments Vol. \$532.94

From the above amount I have taken, for the benefit of certain heirs, the aggregate am^t. shown to be due them by said Settlement and distribution of the proceeds of the real estate, in order to make them equal with the other heirs, with interest amounting to the sum of 120.32 Am^t. for division among 11 original share owners. P402.6

In making division or distribution of the above amount of \$402.60, as stated in the caption, W.P. Edwards is not included for the reason that his over payment exceeds his share in the funds now in the hands of Adams for distribution. In distributing the above and in order to show the shares of each heir participating in this settlement, there will be charges against the shares of those who appear to have been over paid in the distribution of the proceeds of the real estate, the amount so over paid with interest, and there will be added to the shares of those who appear from said settlement and distribution, not to have been paid
