Vs. Murder

Virgil Donahue)
In this cause again the Attorney General, Pro Tem, for the State and the defendant in person and by attorney, when the motion for a new trial, heretofore filed in this cause, came on to be heard by the Court, and which motion is as follows:

State of Tennessee)

Vs. In the Circuit Court, at Waverly, Tennessee.

Virgil Donahue)

MOTION FOR NEW TRIAL

Comes the defendant, in person and by attorney, and moves the Court for a new trial in this case, and for grounds of this motion, says:-

First

the
Because the preponderance, or weight of evidence is against the verdict of the Jury, and in favor of the innocence of the defendant.

Second

Because there is no proof in the record to sustain the verdict of the jury, and all of the proof points to the unintentional killing of the deceased, and that it was purely accidental.

Third.

Because there is no proof in the record that at the time of the killing, the defendant was engaged in any unlawful act, or any act, not strictly lawful in itself, or done in an unlawful manner.

Fourth

Because the weight, or preponderance of the evidence is that at the time of the accident, the defendant was driving with due caution, on his side of the highway, not at an unlawful rate of speed, and that when he saw some danger of a collision, his brakes were applied, and in some manner, just at the time of the collision, the truck he was driving, or the left front wheel hung, and the truck was carried across the center line, of road and on into a ditch.

Fifth.

Because the Court was in error in permitting the Attorney General, over the objection of attorneys for the defendant, to ask the defendant on cross examination, the following question, in substance, "Were you not convicted on yesterday, for an assault with a truck upon the person of one Mrs. Stewart, and fined \$50.00 therefor in this Court?", and while the Court excluded this question from the Jury, the harm had already been done by permitting the Attorney General to ask it, hence, error was committed therein.

Sixth.

Because there is no proof in the record to show that the defendant was driving his truck in violation of any speed law, or that his conduct was so reckless and negligent as to evince disregard for life, hence, he could not be convicted for involuntary manslaughter.

Seventh.

Because the trial Judge, as the thirteenth juror, and as judge, is required to weigh the evidence, and determine whether or not it established the prisoner's guilt beyond a reasonable doubt, and the preponderance of the evidence also strongly in favor of the innocence of the defendant that there is a reasonable doubt as to the guilt of the defendant.

Eighth.

Because when the jury returned and asked for further instruction on the point of an accidental killing, the Court was in error in going further than to say, "If the man was killed accidentally, but the defendant was not doing some unlawful act in killing him, there would be no punishment in this case; the defendant could be sued civilly and damage recovered.", and the Court should not have said in addition to the foregoing, the following, "But if he was accidentally killed, by the defendant, in Humphreys County, in the doing of some unlawful act, or the doing of a lawful act in an unlawful manner, he would be guilty of involuntary manslaughter, the punishment for which is 1 to 5 years in the penitentiary, or a jail sentence of less than 12 months", because while not intended by the Court, no doubt, it was confusing to the jury, and had already been charged in the Court's original charge.

Ninth.

Because the jury in its deliberations, and final conclusion, and to reach their verdict, gave a penitentiary sentence, upon consideration that it would be better for the defendant that a jail sentence, and less expensive to the County, all of which is illegal.

And said motion being heard by the Court it is in all things over-ruled. To which action of the Court the defendant accepts.

It is therefore ordered, adjudged and decreed by the Court, that for the offense as found by the jury, the defendant be confined in the State Penitentiary at Nashville, Tennessee, at hard labor for a period of time of not more than one year nor less than one year and that he pay the costs of this cause for which let execution issue.

AT
TO THE HONORABLE J.D.G. MORTON, JUDGE OF THE CIRCUIT COURT, WAVERLY, HUMPHREYS COUNTY, TENNESSEE.

PETITION FOR SUSPENSION OF SENTENCE AND FOR PAROLE.

Comes the defendant, Virgil Donahue, and presents, this his petition for parole in the above case in which he was convicted and states to the Court that he is 23 years of age and is a student and that while he was operating the truck in which the offense charged in the indictment and for which he has been convicted occurred as he was driving this truck during a vacation period from school, and if he is required to undergo the punishment pronounced against him in this case that it will deprive him of continuing his education.

He further shows to the Court that he has this day secured the cost in this case accrued, as provided by chapter 76 of the Acts of 1931.

That the defendant is a resident of Union County, Tennessee, some 300 miles from the County seat of Humphreys County, where this case is pending, and that the Circuit Judge presiding over the County of Union is the Honorable James L. Brennan, and that if in the event

this Honorable Court should grant him parole, the defendant could report to the Circuit Judge of that division at such times and places as the Court might designate in an order of parole, and that the defendant is not a law violator and leads lawful pursuits, and that he has never been convicted of any offense in any Court.

That upon the trial of this case your petitioner stated the facts as he saw them, honestly, unequivocally, and without reserve in so far as trying to protect himself against the violation of any law that might have been committed, and that without such open, clear and unreserved testimony by the petitioner, or had he failed to give the facts, a verdict of not guilty might have been returned.

Petitioner therefore prays that the sentence in this case be suspended and that the defendant be paroled upon the payment or securing the cost in the instant case, and the payment of the fine and cost in the case of the State of Tennessee against him convicted for assault and battery, being case No. _____, and that on account of his residence in Union County, Tennessee, that he be permitted to go upon his own recognizance but required to report at each term of the Circuit Court of the said Union County to the Circuit Judge thereof for such time as the Court may see right and proper in the premises.

And under such terms and conditions as this Court may see proper to fix and designate with reference to the defendant driving trucks or automobiles upon the highways of the State of Tennessee.

Vs.

In Circuit Court, Waverly, Tennessee.

J.M. Corbitt

This case was heard before the Judge, J.D.G. Morton, without the intervention of the jury, when it appeared to the court that thereplevying suit was first instituted before a Justice of the Peace, and the property replevied was adjudged by the Justice to belong to Mrs. J.M. Corbitt by gift from the plaintiff, W.C. Cooley, and from this judgment the plaintiff appeals to this court and upon motion of plaintiff Mrs. J.M. Corbitt was made a defendant in the case with her husband J.M. Corbitt.

And it further appeared to the court that the plaintiff Cooley, prayed and obtained an appeal to this court under the oath prescribed for poor person in such cases.

After hearing all the proof in the case it appeared to the court that the defendant, Corbitt while the appeal was pending from the Justice Court to this court, no doubt believing that he had the right to do so, went upon the property of the plaintiff and carried away with him the property in litigation, being a cedar chest, and a set waffle irons.

The court as of the opinion from all the proof introduced in the case, and the weight of the testimony that the plaintiff Cooley, did not make a gift of said property to the defendants or either of them, but that the possession of such property by the defendants was in the nature of bailment.

It is therefore ordered, adjudged and decreed by the court, that the defendant return said property to the plaintiff within ten days from the adjournment of this court, and upon failure to do so, the Sheriff of Humphreys County, with a copy of this judgment, is ordered and directed to go upon the premises of the defendants, take said property in his possession and deliver the same to the plaintiff.

It is further ordered by the court that the defendant and the plaintiff each pay their own witnesses and that the actual cost of the case before the justice and in this court, less the witnesses fees be divided equally between the plaintiff and the defendant. For all of which execution may issue. The court so orders.

Robert Edwards, Jesse Edwards and Joseph Edwards)

Transporting more than one gallon liquor.

In this cause comes the Attorney General, Pro Tem, for the State and the defendants in person and by attorney, who, being duly charged and arraigned on said presentment pleads not guilty.

Thereupon to try the issues joined came a jury of good and lawful men of Humphreys County, Tennessee, to wit; E. Cowen, Alvie Simpson, A.S. Gibbs, D.A. Busch, H.M. Turner, Robert Wheeler, Carl Ridings, W.T. Hughey, John Collier, Chesley Vaden, J.R. Perkins, J.W. It is therefore ordered, adjudged and decreed by the Court that, for the offense as found by the Jury, each of the defendants be confined in the state Penitentiary at Nashville, Tennessee, for a period of time of not less than one year and one day nor more than one year and one day and that they pay the costs of this cause for which let execution issue.

State of Tennessee

Vs.

Robert Edwards, Jesse Edwards and Joseph Edwards)

Transporting more than one gallon liquor.

In this cause comes again the Attorney General, Pro Tem, for the state and the defendant, Robert Edwards in person and by attorney and presents a petition to the Court, which petition is heard by the Court and is as follows:

PETITION

TO THE HONORABLE J.D.G. MOTTRON, CIRCUIT JUDGE, PRESIDING AT WAVERLY, TENNESSEE, For HUMPHREYS COUNTY.

Your petitioner, Bob Edwards, represents and shows to the Court, that at the present April term of the Court, 1933, he was tried under an indictment obtained in said Court at a said term against himself and two brothers, Jesse and Joseph Edwards, charged with possessing and transporting liquor of more than one gallon. Was convicted and given a penitentiary sentence of one year and one day, and upon the Court's own motion, petitioner's sentence was reduced to three months in the State Penitentiary. Your petitioner represents and shows to the Court that he and his wife constitute his family that he lives at Denver, Tennessee, in Humphreys County; that he is thirty-eight years of age, and that during his whole life, he has never been charged or convicted of the infraction of any criminal law. That he has never in his life engaged in the liquor business in any form or manner. That he makes his living by hard labor, and has lived peaceably, soberly and honestly all his life. That he is without any accumulative means, but has so lived that he believes he can pay or secure, if this petition is granted, one-third of the Court costs in this case, and will undertake to pay or secure the same, and he believes that if payment of one-third of the costs would not be legal, he can secure or pay the entire cost of the case, and will undertake to do so.

The petitioner states that his reason for seeking parole or suspension of sentence in this case is as follows:

That he is absolutely innocent of the violation of the law for which he was indicted, t
