In Circuit Court in and for
Humphreys County, Tennessee.

Luther Burrell Curtis

This cause on this the 13th day of December, 1934, being the fourth day of the regular term of court, and it appearing from the record that the defendant has been regularly served with subpoena requiring him to appear and plead, and answer or demur to the bill filed in this cause, and that in this he has failed and is in default. The allegation of the bill are therefore taken for confessed and the cause set for hearing ex parte.

Whereupon on a hearing of this cause on the bill, the order pro confesso and the sworn testimony of Complainant and her witnesses inopne Court it appeared to the Court that the allegations of the bill are true, that the defendant has been guilty of such cruel and inhuman treatment of the Complainant as renders cohabitation with the defendant unsafe and improper for her to remain under his dominion and control, and that he has offered such indignities to her person as to render her condition intolerable and thereby forced her to withdraw from. The Court so holds.

It is therefore ordered adjudged and decreed, as prayed for in the bill, that the bonds of matrimony heretofore subsisting between the Complainant and the defendant be and are forever dissolved and for nothing held; that the complainant is restored to all the rights and privileges of a single woman and that her maiden name, Kansas McCarson is restored to her.

The defendant shall pay the costs of this cause for which let execution issue.

Robert L. Morris &
 Mable Wright Morris

This cause came on to be heard this 10th day of December, 1934,
 before Honorable J.D.G.Morton, Judge, upon the whole record in this cause, from all of
 which it appears that on the 2nd day of January, 1934, an original attachment was issued
 by John W. Knight, Justice of the Peace of Humphreys County, upon a certain parcel of
 realty owned by Mable Wright Morris, and that such attachment was returned after levy
 having been made before the said Justice of the Peace and an order of publication was
 made for the said defendants and no defense having been made, a conditional judgment was
 entered on the 8th day of February, 1934 for \$144.21 and \$25.05 attorney's fee, and
 said judgment being stayed for six months and no defense having been made on the 10th day
 of August, 1934, said judgment was made final, the attachment heretofore issued having
 been, in all respects, sustained. Thereupon, all the papers in said cause were certified
 to the Circuit Court of Humphreys County, Tennessee, said record being as follows:

In Circuit Court in and for Humphreys County, Tennessee

This cause came on for hearing on this the 15th day of December, 1934,

at the regular term of Court, and it appearing that the defendant, being non-resident, has been regularly brought into court by publication according to law in such cases, but made no defense to the bill heretofore filed, it is ordered, on motion of Complainant's solicitor, that the allegations of the bill be and are taken for confessed, and the cause is set for hearing ex parte.

And the cause was then heard on the bill, the order pro confesso and the oral testimony of the Complainant and witnesses in open court, from which it appeared that the facts alleged in the bill are true; that the defendant had wilfully and maliciously deserted the Complainant and absented himself without cause for more than two years before filing of the bill.

It is therefore ordered, adjudged and decreed that the bonds of matrimony subsisting between the Complainant and the defendant be and forever dissolved and that of an unmarried woman. The exclusive custody of the infant children of the parties, to wit Foster Bishop and Velma Bishop is committed to the Complainant. The defendant will pay the cause of this cause for which let execution issue.
