(342) We, Samuel Simpson, Nathaniel Simpson, and William Simpson do state that the Municipality Will of Malcomb McMillin was taken in our presence and was made by him on the 13th day of April 1840. That it was made in his last illness and at his own dwelling house and the same is as follows.

It was his will and desire that his two sons Alexander Neal and James Guthrie have each a filly now claimed by them and that have each a good plain bridle and saddle.

It was his will and desire that his daughters Isabelle C, Margaret and Levena Jane should each have a good bed and bed clothes, a saddle and bridle and cow and calf equal in value to property heretofore given to his other daughter Mary Walker

It was his will and desire that after paying his just debts all the residue and remainder of his personal property of every description whatsoever should vest and remain with his wife Margaret McMillin to dispose of as she may think proper for the use and benefit of the family during her natural life and after her death to be equally divided among his four daughters above named or their representatives - He having heretofore

advanced his other two sons John and Hugh
