William Coughorn's Will.

In the name of God amen. William Coughorn of the State of Tennessee and County of Jefferson being weak in body but of sound mind and memory and recollecting the uncertainty of this mortal life and desiring that my worldly property with which it has pleased God to bless me with, may be so regulated that when it shall please God to remove me to himself those of my friends that survive may enjoy it with as little inconvenience as possible. I make this my last Will and Testament in manner and form following Viz. I commend my soul to God who gave it in hopes of acceptance with him thro a merciful redeemer. I request that after my decease my body may by my executors be decently buried in hopes that by divine power it will be raised to happiness at the resurrection of the just. My will is that after my death my debts (which are but few) be paid out of my estate. My will further is that my dear wife Patsy Coughorn during her widowhood have the house in which I now dwell with this tract of land on which I now live containing two hundred acres (more or less) with all the improvement on the same (except six acres including the house where my dear mother lives which said house and two acres my Will is that my dear Mother Rachel Coughorn have during her natural life). My will is that my

dear wife Patsy Coughorn during her widow hood
 have two cows, one horse four big hogs four hogs of a
 big size one sow all my sheep all the plantation tools
 and all the house furniture for the support of her and the
 children as far as the use of the said plantation tools
 and house furniture shall be necessary for tending the
 farm and living in the house. And at the time that
 the widowhood of my dear wife Patsy Coughorn shall
 cease my will is that this land on which I now live
 containing two hundred acres (more or less) above men-
 tioned be equally divided between my two sons Samuel
 Drinkwater Coughorn and Andrew Jackson Coughorn
 to be their forever - also my two sons to have all the
 plantation tools, and cattle, hogs, sheep and horses
 that shall be living of the old stock or their increase
 at the said termination of her widow hood. And
 my will further is that if my dear wife should
 marry that then and in that case she shall have
 one bed and furniture forever. my will further is
 that my Executor pay off for my dear wife such part
 of the crop as shall be fully sufficient for the support
 of her and the children for one year or untill a crop
 can be raised and that the balance of the grain on hand
 or growing at my death (if any) be sold, and that all
 the other property not mentioned in this will be sold as
 soon as convenient after my decease on such credit as
 my Executors shall think proper and the money put
 to interest and that the said principal and interest
 be for the use and benefit of my daughter Polly Blackburn
 Coughorn and my will is that my said daughter Polly
 Blackburn Coughorn have all the house furniture

after the termination of the widow hood of my ^{dear} wife
 dear wife (except the bed willed to my dear wife joining
 with the furniture to said bed) my will further is that
 my said son Andrew Jackson Coughorn pay pay to my
 daughter Polly Blackburn Coughorn one hundred dollars
 and that my son Samuel Drinkwater Coughorn pay to
 my daughter Polly Blackburn Coughorn one hundred
 dollars out of the value of the land to make her part
 of the estate more equal to each of their part. And I
 do appoint my beloved friends Henry Bradford and
 Joseph Hammett senior Executor of this my last will
 and Testament: In witness whereof I have hereunto
 set my hand and seal to this my last will & Testament
