of land according to the bulls & bounds set forth & discribed in the Conveyances aforesaid to me, the lands hereby bequeathed to my said son William Smithpeter S. Valued at three thousand dollars, which together with a mans hay and other property which I have heretofore given to my said son William Smithpeter Valued at One thousand dollars, I will give to him Four thousand dollars of my estate; Sixth I have heretofore given to Matilda M.Ewen wife of Samuel M.Ewen & her said husband, lands & other property Valued to them at twelve hundred dollars, To my daughter Mary Smith wife of Jones Smith, in a negro girl and other property valued to them at six hundred dollars, and to my daughter Louisa Smith wife of Lafayette Smith a Negro Girl & other property Valued to her at six hundred dollars. It is therefore my will that all my negroes not herein otherwise disposed of be Valued by two disinterested men who shall be sworn to Value them at their true Value, and that said Negroes shall be divided amongst my said three daughters or their lawful heirs, To that Matilda M.Ewen & her heirs Mary Smith and her heirs and Louisa Smith and her heirs. In using the terms heirs in this my will it is to be distinctly understood that I mean heirs of the body and none other) shall each receive of my estate the sum of three thousand five hundred dollars with what they have each already received and that after this shall be done then it is my will that my son Abram Smithpeter, my daughters, Matilda M.Ewen, Mary Smith, and Louisa Smith shall each receive by a division of my negroes

Will of Michael Smithpeter dec.d Continued

as aforesaid the sum of five hundred dollars, to make each of them equal to my said sons David & William Smithpeter if my negroes and sale of other property will effect this object, including the sale of all the personal property & the negroes herein bequeathed to my wife Mary after her death, this perversion is not to be understood to inhibit a division of my Slaves amongst my said Children till my said wifes death, but said Slaves are to be divided amongst said sons & daughters as above directed as soon after my death as possible, except those set apart to my said wife and they and their increase shall be divided at her death as aforesaid; Seventh after the above bequests shall have been settled as aforesaid if there is a sufficient amount of money or property left, It is my will that my executors pay to my son Alfred Smithpeter the sum of one thousand dollars, and if there should not be so much left after said bequests, then whatever may be left but if there should be more than one thousand dollars left after said bequests, then it is my will after my said son Alfred Smithpeter shall have received the thousand dollars herein bequeathed to him, that the residue of my property if it can be done be equally divided between my said sons Abram Smithpeter, William Smithpeter, David Smithpeter, and my daughters Matilda M.Ewen, Mary Smith, and Louisa Smith and their heirs, but it is distinctly understood that if my estate should not prove as Valuable as I think it is or if my negroes should die so that my said six Children cannot be made e

equal, then my said sons David, William and Hiram, shall each pay according to the value I have herein placed upon the land herein bequeathed to them by me, to Matilda M. Ewen, Mary Smith, and Louisa Smith my daughters aforesaid after the division of my negroes as before directed an amount that will make them on an equal footing with my said three sons; the reason I have made the provision in this will in the way I have in regard to my son Alford Smithpeter is. I gave him when he removed to the West about one thousand dollars some years since and he has had the benefit and advantage of laying it out for lands &c, whereas my other children have had nor will have no such advantage. Whereas I have heretofore given to my daughter Nancy White and her husband John R. White upwards of six hundred dollars in a Negro woman &c and the increase has been considerable, It is my Will that neither the said Nancy White or her heirs shall have any more of my property either real or personal, And whereas I have heretofore given to Sarah Williams wife of Pleasant M. Williams in land and other property about twelve hundred dollars and they have sunk me in property &c by law suits about five thousand dollars in addition. It is my Will that they nor their heirs shall ever inherit an other dollar of my estate and to this end neither the said Nancy White & heirs or the said Sarah Williams or her heirs shall be considered as my heirs or the heirs of either of my said Children

Will Continued

David Smithpeter, Hiram Smithpeter, William Smithpeter, Alford Smithpeter, Matilda M. Ewen, Mary Smith, and Louisa Smith and the heirs of their body or the heirs born to them in lawful Wedlock, It is my will & direction that the property which I may die seized and possessed of whether real or personal and not herein specifically bequeathed or to be divided by a fair and just construction of this my Will by my Executors, shall be equally divided between my said Children David, Hiram & William Smithpeter and Matilda M. Ewen, Mary Smith and Louisa Smith, if the same can be done, or either of my said Children may take it by the consent of the others, at it's fair Value in the settlement of their portion of my estate as before set forth, or any part of it, if this cannot be done then my executors may sell the same a majority of them agreeing thereto either at private or public sale on such terms as they may think will be for the best interest of my said Children. It is my Will and desire that my two Slaves Mavis Susan and Lucinda shall be emancipated if the laws of the land will permit them to remain in this State or if they or either of them shall prefer to go to a free Country and if not then they shall have and enjoy a quasi freedom in this Country and shall have the right of managing and working for themselves and it is my Will further that my executors shall pay to each of said Negroes Mavis the sum of two hundred dollars out of the first monies which shall come into their hands, and allow them in addition their choice of their clothing and all the household and kitchen furniture

It is my Will and desire that all the property herein bequeathed or intended to be bequeathed to Priscilla McEwen, Polly Smith and Lovina Smith, and their heirs or the property & money which they shall inherit from my estate shall be and be to their separate use and benefit and shall not be subject to the control or liabilities of the said husbands or either of them or be made subject to their Contracts or debts.

It is my Will further and I do hereby nominate and appoint my two sons William Smithpeter & David Smithpeter and Carrick McNelson Executors of this my last Will and Testament.
