OFFICE OF

Sec'y State Board Medical Examiners.
Trenton, Tenn., July 3 1905

TO THE COUNTY COURT CLERK OF

Johnson

COUNTY:

DEAR SIR:—

Your attention is called to the law regulating the practice of Medicine in this State.

I find that some of the County Court Clerks still register as practitioners of Medicine parties, who present to them their Diplomas, regardless of the fact that the time for such registration as that expired July 1st, 1891. SINCE THAT DATE YOU HAVE UNDER THE LAW THE RIGHT TO REGISTER NOTHING EXCEPT THE CERTIFICATE ISSUED BY THE BOARD OF EXAMINERS.

Your attention is earnestly invited to Section 1 of the Act, which plainly sets forth the fact that no one has had, since July 1st, 1891, nor now has, the right to enter upon the practice of Medicine in this State, except through the Board of Examiners. The Board must first issue to him a CERTIFICATE OF LICENSE, which CERTIFICATE OF LICENSE must be presented to you for registration.

Section 12 of the Act is explicit enough it seems to me for any one to comprehend. No one can practice in this State till he has this CERTIFICATE OF LICENSE, which he has received from the Board of Examiners, recorded by you, if he wishes to practice in your County.

A "TEMPORARY LICENSE" must be recorded, but your register must show that it is a TEMPORARY license. It confers no right to practice beyond the annual meeting of the Board following the date of the issuance of this temporary license. This annual meeting is held in April of every year till further notice.

DO NOT REGISTER A DIPLOMA.

DO NOT REGISTER NOTHING EXCEPT A CERTIFICATE ISSUED BY THE BOARD OF EXAMINERS! Should a physician move into your County from another, he must register in your County also, presenting you his certificate as in the case of a first registration. If, since July 1st, 1891, you have registered any physicians except as above, erase their names, and notify them and the Secretary of the Board of Examiners. Fee for registration is 50c (Sec. 12.)

Report July 1st of each year, all registrations, deaths and removals in your county.—(Sec. 13.)

Please paste this letter in your "Physicians' Register" for future reference. All references in this letter are to the Act of 1901, unless otherwise stated.

T. J. Happel, M. D.,
Sec. State Board Medical Examiners
