First I give to W. A. Anthony all the notes I hold ^{on} against him in trust for Malinda Anthony's children (Eliza Austin excepted) reserving a life estate in said notes to him the said William, and at his death to be divided equally among the said children of the said Malinda Anthony the mother, with the above named exceptions, should any of said children die before me, marry or become of age, the others herein named, are to inherit the portion or portions of the deceased, and when the said Mary shall share to be settled on them.

Second. I do leave W. A. Anthony's children as named above eight shares in my Arkansas lands, they taking the lands I have already appropriated to them, and accounting for them in the division, at their value, but their father is here authorized to sell them if he thinks best for their interest, and divide the money in the same way as the notes are to be divided & under the same restrictions. In this last bequest Mollie & John are to come in, Williams two last children.

Third I leave in Doer T. Anthony's hands as trustee for all the children he now has, and he may hereafter have, the deposits I placed in his hands, before the war ended, also all the notes I ^{now} hold of him, which I have placed in his hands for his children some time past, also eight shares in my Arkansas lands, they taking the lands I have appropriated for them at valuation. and infant children, namely Sue May, Robert & Amelia Byron, during the time she is my son's widow, but if she marries it is to go immediately to the above named children, and so long as she retains said estate she is to raise cloth & educate said children. Out of the proceeds of the same, and should either of said children die, the others are to take the share of the deceased, and in case all should die, then their brothers and sisters are to take the property. (With the exception of Philecia Porter who is hereby cut off from any share in my estate after paying for the land house & horse team Wagon & ~~assault~~ which I promised to settle on Doer T. Anthony during her widowhood, I require the house to be brought in for me taking the ground as far as the upper stables running to the gate opposite the old gin house then up to the corner of the dwelling house yard, thence along the road fence to the line which divided it from Doer T. Anthony's land to the fence just inside the upper stables lot taking in all the gullied & narrow land in the bounds, what remains of the notes I hold on my son James estate are to be collected & divided equally among all the children, with the exception as above stated and is to go and be settled in the same way as the property left W. Fifth. I leave the bank I purchased out of the auditor's office for the family, to go into the general fund of my son James Anthony's estate, all of which W. A. Anthony can give particular account of.

Sixth. After my just debts are paid, what remains of debts I leave on to be collected and divided among the following named Grand children, Sue May, Robert and Amelia Byron, Doer T.
