When the whole sum of ninety thousand dollars, as herein before provided for shall have been paid to the party of the first part, then the entire proceeds of the business shall belong to the party of the second part and to their assigns.

It is further understood and agreed that the management and control of the line of telegraph hereby released and every matter and thing connected therewith are to be given to the defers for the whole term which their lease shall run, and that the party of the second part shall have the privilege, during the term of their lease to change the route of the line or lines of telegraph from Louisville to New Orleans to rebuild part or all of it, or to abandon such portions as are not profitable, but it is understood and agreed that at the end of fifteen years from the first day of July 1854 the line of two wires from Louisville Ky to New Orleans, and of one wire from Louisville Ky to Cincinnati Ohio, with all the property, right of property, franchises, privileges and immunities conveyed by their agreement to the party of the second part shall be restored to the party of the second part in as good condition as it is in at present, provided that the defers have the right to purchase any debts due by the New Orleans & Ohio Telegraph Company or other such debts secured by them in any manner they may agree upon with holders thereof by the delivering of the same to the party of the first part, and whenever such evidence of debts shall be surrendered to the New Orleans and Ohio Telegraph Company or to their officers or agents, a credit to that amount shall be given to the party of the second part on the fifty eight thousand five hundred dollars to be paid out of the net receipts of the business of the line and provided further that nothing in this agreement shall prevent the defers individually or collectively from buying at any time the certificates of the Capital Stock of the New Orleans and Ohio Telegraph Company in whole or in part on such terms as they may agree upon with the holders of said Stock certificates.

Provided that any stockholder of the New Orleans and Ohio Telegraph Company who shall within one year hereafter pay over to said defers a sum of money equal to his own proportion according to the amount of stock held by him of thirty one thousand five hundred dollars if apportioned among all the stock holders of the Company shall thereby become entitled to share with said defers in proportion to the amount paid in by him and then respectively in the subsequent rights, privileges and responsibilities of said defers, and any moneys so paid in by stock holders shall be considered in the nature of profits and shall be disposed of accordingly.

It is further agreed that the defers shall manage the property leased as far as it can be done from cabination or injury, and that they will have due regard to the accommodation of the public with telegraphic facilities and in all things will execute and carry out with fidelity and in good faith the provisions of this agreement.
