I Lemuel P. Montgomery in perfect mind being
 convinced of the certainty of death at all times &
 the uncertainty of the period at which it may
 take place & the necessity there is for all men to have
 the affairs of this world at all times in the situation
 that he wishes them finally left I do therefore consider
 & ordain this my last will & testament as my property
 is not of sufficient value to be of great importance when
 equally divided between those who have equal claims
 I am principally desirous that my father & mother
 should be decently supported during their lives & that
 my brothers should in this mean time receive an
 Education equal to the extent of the means that
 my executors (herein after named) may have in their
 power in whom I have the most unshaken confidence
 I do therefore vest them with discretionary power
 for the above purpose & recommend to them to sell

my tract of land in Hampshire County adjoining the
 town of Jacksonborough & purchase another of less
 value in the vicinity of some seminary & lay out
 the difference in negroes all my property is to be in
 discretion of my executors for the above purpose with
 out exception I have not been specific in the distrib-
 ution of the above property because I believe my ex-
 ecutors will act honestly & for the best the residue
 of my property after complying with the above direc-
 tions I wish to be divided equally among all my bro-
 thers & sisters and I do Appoint James Cumberly
 Senken White side & Thomas H. Cissy executors of
 this my last will & testament & recommend to them
 to protect & advise an unfortunate family. In
 Testimony whereof I have hereunto set my hand
 & seal 4th March 1814

I do
