Richard W. R. D. We the undersigned probators of Madison County
after being duly sworn have received & set apart
to the children of Richard W. R. D. and to each of
his estate as is sufficient in our opinion to support
his children one year from the date of his death viz 21 barrells of corn
21 hundred lbs of Pork 10 dollars worth of coffee & sugar but as we
informed that the administrator had disposed of all the effects of the
estate but a small crop of corn & cotton before price could come
to hand we therefore suggest that in the place of the pork & corn
they have the worth of it in money for the poor \$250 for

The sum of \$1.00 we would further state that the children for James Eric part have been dispersed and are now living with different persons and we desire it proper that some disinterested person should be appointed to redistribute it among said children we would also state that in our opinion the present crop is insufficient for the maintenance of said children for one year.
