The Worshipful Court now sitting
We the undersigned Petitioners labor under
Considerable disadvantage in passing the road in repair from
A. B. Alexanders to Williams Hottel on the head of the said fort
of Big Bly Creek on account of the Creek washing away and
destroying the road and we believe the road would be much better avoided
to turn off at or near Capt. Shells Blounts or A. B. Alexanders and to
intersect the old road at or near Williams Hottel of about 3 miles which
would effectually avoid the Creek and its low grounds. And being of the
opinion of your petitioners a much nearer and better route to its place
of destination. Therefore your petitioners sprays a firm of him on this
