William Stone Will 1815

In the name of God amen

Be it Remembered that I William Stone of the county of Jackson and State of Tennessee do make publish and declare this my last will and Testament setting aside and annulling all former Wills or Testaments by me made heretofore and confirming the same as my last feeling myself in a weakly or infirm state of body though of sound mind and memory and coming to mind that I must shortly leave this time world I resign my Soul to God who gave it my body I leave at the discretion of my executors to be committed to its mother earth And as to the worldly substance which God in his providence has blessed me with I dispose of in the following manner

All and every part of my worldly substance I will and bequeath to my beloved wife Ann during her natural life to dispose of she thinks most fit and expedient and her decree I allow the land my son Irish Stone now lives on containing one hundred and Eleven Acres to be his property and the places now live on to be the property of his son Asbury according to the deed of conveyance I have previously made to each of them Asbury containing fifty six Acres in full of their portion or part of my substance the Remainder of my substance except my black man Thomas that may be disposed of by my wife if she survive or not or aut live me I allow and bequeath to my daughter Jane Roberts Ann Smith and my son Elijah Stone and to my granddaughter Lucy Ball in place of her Mother and my daughter who's now deceased to be equally divided between the four within named and on their reception of the same I allow each of them to receipt in full of their part of their portion &c and as my son Eliah has no line I allow his receipt to satisfy that any part of his portion that he may not have occasion to make use of for his own comfort or convenience to descend to my Grandson Asbury Stone

At his desire also I desire that my executors should make an assumption or Voucher in the receipt given by Edmund and his wife Jane Roberts for their equal parts of my substance that they will faithfully receive or equally divide their part of my substance between my Daughter Jane and her children at their decease Viz William Spearmon Ann Spearmon and Thomas Spearmon to the satisfaction of my executors as my Daughter Jane has no children by said Edmund Roberts I give and will my Black man Thomas his Freedom after my own and my wife's Decease but as I am informed that the laws of the land require that he should give Bond with security to the satisfaction of the court that he will not be chargeable to the State &c I therefore devise in case he cannot comply with such legal requisition as may be necessary that he may choose for himself whom he will serve and I do will him to that person by them being bound to discharge a duty to him according to the Laws of humanity I do further make and constitute Archibald Stone Esq and Jane Crawford both of Warren County Kentucky my executors to this my last will & Testament In Witness whereof I have hereunto set my hand and seal this 24th day of June A.D. 1819
