I also direct my funeral expenses and all my debts to be paid as soon after my death as possible out of any money I may die possessed of or may come into the hands of my executors. (Secondly) whereas on the thirteenth day of October one thousand eight hundred & forty five a family of negroes which I raised was valued & divided among my children and all sworn to stand to the valuation and said valuation amounted to two thousand five hundred & eighty seven dollars and fifty cents making for each one of my heirs two hundred and eighty seven dollars & fifty cents a piece for I have at that time in the above date nine heirs and they have all received their above named shares.
