In making out this inventory the Administrator will state to the
 Worshipful Court that though T. Blount acted as a constable for
 some years previous to his death, consequently there has been
 found in his possession some notes that are not important as
 it is impossible for the Administrator to ascertain to whom
 these papers rightfully belongs; that upon some particular
 examination & inquiring if there, who the owner of these papers
 claimed to belong to the Estate of the said Blount the
 Administrator will return an additional inventory Feb.
 1st 1857. He asks the indulgence of the Court to return
 a further inventory, so soon as additional items shall
 come to his knowledge.

The Last Will & Testament
of John Butram Decd.

In the name of God. Amen!
I, John Butram of the County of Meigs
and State of Tennessee, being much
afflicted in body, but ~~of~~ sound of mind
and memory, and calling to mind
the uncertainty of this life, do make
and ordain this to be my last Will
& Testament. First. I commend
my Soul to Almighty God, hoping
redemption from all sin through
the merits of Jesus Christ. My body
I commit to the Earth to be decently
interred at the discretion of my
Executor & Executrix. And as touch-
ing such worldly Estate as it hath
pleased God to bestow on me in this
life, I give and devise in manner
following - viz, After paying my fune-
ral expenses. I direct that all my just
debts be paid. First. Pay out what
money I have on hand, say, Eleven
Hundred & Thirty-four dollars in
Bank Notes - Next Collect the debts
Owing to me as so on as they become
due, and can be collected, and pay
out, but if the means heretofore
named should not be sufficient
to pay what I am owing, or should
it not be possible to collect enough
in time to pay as above, I direct that
the Peak mine and what Hogs can

be spared, after allowing enough for the ne-
cessary use of my ~~Widow~~ & Children, and
after making them fat in the fall next,
be sold in the most advisable, also
what Cattle, and what Grain or other
produce can be spared allowing what
will be necessary for my remaining fam-
ily, and the proceeds of the sales thereof
appropriated till all that I am owing
be paid.

I direct that my wife, or
widow Phebe Butram, have possession
of all my tract of land on the East
Side of Suck (Sewah) Creek, and en-
joy the benefit thereof during her widow-
hood, for the purpose of supporting
herself and my Children whilst in in-
fancy, or shall remain in the family
with her, and for the paying the expen-
se of educating them as shall be neces-
sary. Or should she marry before my
youngest Child that may be living
become of lawful age, then and in
that case she shall be allowed to
possess the land till the youngest of
my living Children arrives to the age
of twenty one years, then let the land
be sold in the most advisable man-
ner for cash and the price thereof
divided equally with her and my Chil-
dren - giving her an equivalent to a Childs
part. It will also that she keep for her

- use - all my house hold furniture, only that she allow each of my Children as they arrive to lawful age, or marry, one good bed and furniture - I further direct that my daughter Mary M. Buttram have the saddle mare called Nance, also the saddle which I bought for her, and that my son George W. Buttram have the young horse called Brimmer and the saddle I bought for him, but should the horse bequeathed to George W. Buttram, when grown, not be of equal value to that of the mare bequeathed to Mary M. Buttram, I direct that George be allowed other property sufficient to make up the difference - I also direct that each of my other Children, on marrying or becoming of lawful age receive a horse and saddle of equal value ~~with~~ that bequeathed to my daughter Mary M. Buttram, if such there be that can be spared from the family. But if should be, that such could not be spared without material injury to the remaining family, then and in that case I direct that in the division of the price of the lands when sold an equivalent be allowed who may have not gotten a horse and saddle -

That my Will may

be the better understood I here state that I want my beloved wife, or as she will then be, my Widow, and each of my Children to share equally of my Estate only that my wife enjoy the benefit of my lands as above named during her widowhood, or till my youngest heir be twenty one year of age. Should she marry before that time - I direct that the widow appropriate of the produce of the lands to paying the building of a comfortable house thereon for her to live in so soon as it can be done without distress to the family - I do hereby nominate and appoint my beloved wife Executrix, and my friend Michael Eligor Executor of this my last will and Testament to execute this my will, and there shall be no security required of them unless it should be apparent that they be making waste of the Estate. And I nominate and appoint my son George W. Buttram Executor as soon as he shall have arrived to the age of twenty one years to the place of said Michael Eligor, and to release him from and after that time, and to act in like manner without security - Given under my hand and seal This 13 day of May 1841 -
Signed & Sealed in presence of
James Moore John Buttram
& John Eligor
