To the worshipfull County Court of Ohio County, we you petitioners would respectfully represent, that you may see by the accompanying account of Sales of the perishable property belonging to the Estate

of Henry Applewhite Decd. that the said property has sold for four hundred and seven Dollars & 12 $\frac{1}{2}$ Cents, and by and additional Inventory there is debts due to the estate to the amt. of twelve dollars and 12 $\frac{1}{2}$ Cents - making in the whole \$ 419.25. - We have already asserted that the debts due from the S^d Estate will amount to near fifteen hundred Dollars, we therefore

Pray you to authorize the administrators to sell two Slaves Viz, one boy Stephen 14 years old and one girl Ginny supposed to be 12 years old to pay the balance of the S^d debts - we would suggest to the Court the propriety of authorizing the sale of S^d Slaves for cash, as by advertising them per Cart, would bring to the sale many foreigners who need such property, and by their being sold for cash, much interest and cost would be saved the above Estate, as some of the debts (or the most of them) will be paid, for before the usual time of Credit will expire -
