Total amt due by Sheriff \$17898.17

The foregoing exhibiting the above amt. of balances we believe to be as near the true amount of liabilities of the former Sheriff & tax collector of Calver as can be come at, at this late period, years having elapsed since a settlement has been made, and the records are so voluminous from which the charges are taken, that altho we have bestowed much labor and investigation yet it is still possible there may be some error, or omission — As we said in the beginning of this report, that altho twice notified and requested to meet us with his vouchers and make settlement, the Sheriff has failed to do so, thereby putting it out of our power to place to his credit such disbursements as he has made in consequence of which we are only able to exhibit his total liabilities, including State as well as County Revenue —
