*A Supplemental Settlement of J. P. Frazar and
John Post Executors of John Royal Estate*

*A Supplemental Settlement of the Estate of
John Royal dec'd made by J. P. Frazar and
J. E. Post Executors of John Royal with John S.
Howard Clerk of the County Court of Pike
County Tennessee*

I John S. Howard Clerk of said Court aforesaid find that said Executors in their first Settlement made & submitted to the January Term of said Court 1881 distributed to the heirs and took receipts for the same all rents up to the year 1880 & distributed to the heirs all notes & personal property, except some specially mentioned by them as in litigation & retained by them to settle up. I find the notes & judgments set apart to James Royal there a minor in said Settlement were turned over to him & have been under his entire management ever since. I find that the rents of all lands for the year 1880 were distributed to the heirs and their receipts taken for the same as shown in 2nd Settlement made with J. E. Post with Clerk of this Court, and submitted to the January Term of the County Court 1882. I find that after the year 1880, that the heirs took charge of the rents of the lands themselves and by Agreement distributed the rents among themselves and relieved the Executors of any responsibility for the same, and that they are still in possession of & controlling said lands. I find from report of said Executors that the first payment made from Saml. Robinson Estate at Dandridge was distributed & embraced in first Settlement made by said Executors. That the 2nd payment from said land Saml. W. Robinson Estate after deducting Attorney fees was \$600⁰⁰ of which amount \$300⁰⁰ was paid to Mrs. Rebecca Royal & her receipt taken for same which is herewith filed. That one hundred dollars each of said amounts and

Pyott and their receipts taken for the same and herewith filed. That the third payment from said Robinson Estate amounting to the sum of \$1064⁵⁰ after deducting fees was equally divided between the four heirs and their acknowledgment of the same taken on this Settlement. That \$400⁰⁰ has been collected on the Anderson debt in former County \$200⁰⁰ expenses for East in Royal Estate & the other \$200⁰⁰ distributed to heirs. That there is yet due on the Anderson debt about \$100. That there is an unascertained balance, not large, yet due from the Robinson Estate. That the J. M. Gillespie debt is yet Supreme Court. That there is a prospect of realizing something out of the Robt. debt. That the James Gillespie Judgment is unchanged. The heirs have been receiving the rents from the lands of the Estate, since 1880, applying the same to their own use & the Executors have kept no account of the same. Mrs. Rebecca Royal has received the rents from the home tract & the lands lying South & West of the road leading from Washington to Cotton Port. John Royal has received the rents from the lands known as the Richland farm, the lands lying North and East of the road leading from Washington to Cotton Port & the Howell farm on Swiss Creek in Meigs County. James L. Royal has received the rents from the Old Chatfield land the Mitchell farm & the Eucher farm in Meigs County. Mrs. Catherine Pyott has received rents from the Doughty farm in Hamilt. Co. Tenn. and the lands lying between Hiwassee, Garrison, and the H. D. Peak lands including a small Island in Tennessee River in Meigs County.

The following is the Proportion Amount received by each heir on distributive Share of said Estate as shown by receipts in former Settlement & as shown

collected by the heirs themselves. To Wm
