Thos. Bartlett's will

In the name of God Amos — I Thomas Bartlett of Harrison County in the State of Mississippi at present in the City of Natchez being in weak in body but of sound and disposing mind and memory do make publish and declare this my last will and testament

77 and devised that the expense of his schooling to include three months be paid in manner herein after mentioned —

I give and bequeath my stock of cattle in Hispania to Samuel Gamble and his three sons, in the following manner, viz, the said stock of cattle are to be divided into four equal lots, Thomas (son of said Samuel), is to have the first choice and the other three parts to be drawn for by the said Samuel & his other two sons, each having one equal fourth part —

Brook Joint executors and guardians of my said Daughter Martha until she shall arrive the age of eight years — And request of them that they will protect and take care of her, see that she receives a proper education and is placed during her minority in a careful and respectable family

I further request of my said executors to hire out the said negro, to the best advantage for the benefit of my said Daughter and place the funds arising therefrom in the most safe and effectual deposit for her benefit until she arrives of age when they are to be paid over to her, or before, should she marry with their consent, and do also enjoin upon my said Daughter to advise with, consult and obey her said guardians — particularly if she form an attachment or should wish to marry before she attains the age of eighteen — because there are many designing men in this world who look more to the possession of the property, however small in the sight of a young & inexperienced female than to their own merit.

I do request John Morgan Gamble to take

18 take immediate charge of all my effects now in this state to hire the negro, as aforesaid also to sell and dispose of all my other effects now in this state to the best advantage for the benefit of my said daughter as aforesaid. Brook at this place or on their sending a legal agent duly authorized, to deliver over to either them the said executors or to their said agent all the property of mine then remaining in his hands together with the amount in cash for that which he has disposed of & which receipt to him shall be a legal discharge. I do further request that my two executors negro men Sampson & Ned after serving my said daughter or his heirs faithfully for the period of twenty years from and after my death shall be mancipated and made free —

I do also request that John M. Gamble will use his utmost endeavor to collect the money which may be due to me in this state and deposit the same safely in Bank there to be kept until called for and delivered to my said executors for the use of my said daughter and also to take upon him the charge of my funeral and payment of all my debts in this state and the payment of the legacy to my nephew Sterling Bartlett or to such person for the use and benefit of the said Sterling as he the said John M.
