13 Petition to County Court
To the Honorable the County Court of Stewart now sitting &c
Your petitioners Robert Steele and John Cox would respectfully represent to your worship that William B. Baxter late of this County departed this life in April last and that Robert Sompkins of this County after was appointed his Administrator by the County Court. Your petitioners would represent that the

estate of Baxter aff'd is largely indebted to them to wit your petitioners hold Baxter note thirty eight hundred dollars and the administrators thirteen hundred dollars and their holdy steel and Cox note for six hundred dollars being a balance of 444 and 40 they are bound by necessity for the said Baxter to the amount of four hundred dollars your petitioners would represent that the administrator aff'd is a man possessed of little property as your petitioners are informed and believe your petitioners would state that they also are informed and believe that the security given by the said Sompkins as administrator is man possessed of little or no property or not sufficient to cover the value of the estate of Baxter they are informed and believe the value of the estate of Baxter is worth some five or six thousand dollars and the debts are worth not half the amount of the aff'd estate your petitioners are fearful of the aff'd Sompkins should go on and administer without further security of your petitioners it would lose to a large amount your petitioners state they have bought at the sale of the effects of Baxter to the sum of \$5000 and your petitioners are fearful if they should give their note they would be transferred and the administrator not have given a sufficient security they would have it to pay and lose their debt from the want of a sufficient security your petitioners pray that the security qualify at next term of this Court and if they in your wisdom be not sufficient then the said Sompkins give their security or come up to the law direct and then the said Sompkins be notified &c.
