The undersigned who were appointed to settle with John Scarborough Guardian of the minor's Ward of John King deceased, at the appearance of the Judge at order present the foregoing account of debts and credits, at settling the State of said Guardian's accounts

An order was also laid before us on a date at the February term 1839 of the District County Court, which to far as we can learn has not yet been paid by which it was ordered that Henry King be allowed fifty dollars for keeping three children of John King deceased, to be out of the Estate of said John King debt which order we are of opinion and recommend should be paid out of the full amount which may come into the hands of the Guardian of said minor as we also recommend that when Henry King produced the Guardian of said minor a good and sufficient voucher that he had paid Doctor Doddell Bill for medical services on said minor that the Guardian pay the same the amount of said account being \$110-

The undersigned are of opinion that no further allowance other than the order above named should be made for boarding & clothing said children they having been for some years old enough to earn their own clothes and shoes Given under our hands this 3rd day of April 1837
