

Bristol Term at its June Term 1883 in which  
a decree was pronounced in the suit H<sup>r</sup> v Brisson  
vs Osborns & others in which the title was  
vested in him by said Court and it is the  
same land upon which our H<sup>r</sup> Mr Osborne was  
living when I gained the same in the Chancery  
Court as above referred to. My reasons for  
bequeathing this County for acres of land to my  
niece Maria Halling instead of bequeathing the  
same to all of my heirs is as follows:—  
That my said niece Maria Halling has been  
very kind to me for years doing my mending &  
contributing to my comfort & support & waiting on  
me when sick & in feeble health in my old age  
rendering me every assistance she could &  
did it willingly & has shown me more kindness  
& gave me more attention than any one of my  
heirs & was always willing to wait upon me when  
sick & gave me every attention she could for  
which I have never made her any compensation  
until now & during to compensate her & as I  
am now old and at this the making of the  
my last will & Testament & being of sound  
mind and of good memory & being in every way  
capable of disposing of my property I desired it  
bich while in that state of good sound mind  
& of reasonable health to make this my last  
Will & Testament.

2<sup>nd</sup> — I do further will & bequeath to my said  
niece Maria Halling all real & personal  
estate I may die seized & possessed of at my  
death.

3<sup>rd</sup> — I do nominate and appoint Joseph H.  
Lyon as my executor to this my last Will &  
Testament and I desire & request that my  
said executor be not required to give bond &  
security as is usual to do but that he be qualified  
& permitted to act as exec. & settle up my estate  
without giving any security.

As witness my hand and seal this the 7<sup>th</sup> day  
of July in the year of our Lord One thousand  
eight hundred and eighty three
