Last Will and Testament - State of Tennessee Deceased
of
June Hines Deceased. Considering the uncertainty of life and the certainty of death and being a believer in the immortality of the soul and our obligations to our Creator and also to our fellow creatures I propose to make this my last Will and Testament. I revoke the will of my late husband John Hines and I have placed in possession of all the estate owned by him both real and personal during my natural life for my own use benefit & comfort. Relieving the estate me free from all the time of the term of my husband my wish was to pay up all the debts owing by security which otherwise would have been any of said estate for my support & except so much as they grow on the land which was bequeathed to Thomas Currell who has lived on the farm since the death of my husband. To satisfy the demands on the estate I have paid out of my own private means arising from my pension also a balance of money loaned to H. S. Dumasby which was repaid claimed by my husband and also from my farm estate. Of the debts of the estate I have paid from this fund I situated the following, and will have a full receipt also the original receipts, so that no confusion may arise as to my right to collect the same out of the estate of John Hines and to use it or dispose of it as I
