

It is my will however if my daughters never marry & have no issue capable of inheriting their interest in said land & do not sell the same in their life-time to one of the joint owners of said land that then the interest given them in this Will is to descend at their death or the death of either of them to the children of my son John H. Morrell. It is my will however that either of my three children interested in the home farm may sell to the other party or parties interested at any time & convey the interest sold absolutely & dispose of the proceeds of sale as he or she chooses the intention of my will being that the interest of my daughters shall go to my son John H. Morrell's children in the event my daughters do not marry & have issue alive & capable of inheriting their property or if they do not sell the same to one of the parties in interest before their death.

I give & bequeath to my daughter Mary E. Jackson & to my daughter Martha A. Martin & to my son J. H. Morrell twenty five dollars each & require my Executors herein after named to pay said sum to them respectively within three years from my death.

My reason for giving to my three children first named my farm & personal property is this. They have remained with me, worked for me, & are as I think entitled to more than those who have not had to care for & wait on me in my old age & hence I give them more.

I require my son John & his two sisters Eleanor & Sarah out of the property given them to pay my debts & funeral expenses.

I hereby nominate my son John H. Morrell & my friend Peter E. Jones as Executors of this my last Will and Testament & request the court not to require security of them as my Executors. In testimony whereof I the said M. H. Morrell have hereunto set my hand this 13th day August A. D. 1881 in the presence of

Last Will and Testament of Abraham Cross decd.

Being of sound and disposing mind although in feeble health I make this my last Will & Testament disposing of my property to certain of my heirs in such manner as I deem best for them and also to carry out my plans long since matured.

I have in my possession a Deed of conveyance made by my brother Jesse Cross in his lifetime to myself and daughter Ellen Cross for two acres of land defined in said Deed which I will and bequeath to my daughter Dolly Ann Cross and my grand daughter Adaline M. Cross upon the following conditions.

As my daughter Ellen is in feeble health in body and mind and requires kind attention constantly it is my will that she remain with the said Dolly Ann & Adaline during her lifetime, I will that they also have another small tract of land adjoining the two acre tract excepting a small strip of land owned by Saml. A land intervening on its north side also it is bounded on its south side by the lands of John Cross, containing five acres more or less for which I have a Deed from the heirs of Jesse Cross decd.

I will to Dolly Ann and Adaline as aforesaid all the personal property that I have any claim to on the premises as almost all the household property belongs to the said daughter and grand daughter: they having made it by their own labor. I will that my son William have the cooper tools now in his possession consisting of a hand saw, two drawing knives, croze, two augurs, one jointer, one pair of compasses. The hand axe belonging to

Dolly Ann must be returned.

I will to my son Jackson my lock line and looks thereto belonging.

Be it understood that my reason for so disposing of my property in the foregoing manner is to as far as lies in my power compensate my daughter and grand daughter for their great kindness to their grand mother in her last days, also to myself here tofore as well as as at present time.

The coming machine is the property of Adaline but to be used for the benefit of the family, as long as the two lines may live together, which I desire and admonish them to live in peace as a family should, which is my dying request.
