

Dolly Ann must be returned.
I will to my son Jackson my lock line and
looks knife belonging.

Be it understood that my reason for so disposing of
my property in the foregoing manner is to as far
as lies in my power compensate my daughter and
grand daughter for their great kindness to their
grand mother in her last days also to myself
here tofore as well as as at present time.

The sewing machine is the property of Adaline but to
be used for the benefit of the family, as long as the
two lines may live together, which I desire and
admonish them to live in peace as a family should,
which is my dying request.
