The last will of George H. McCand
 ordered to be recorded at Sept term
 1869 of County Court

George H. McCand of the County of Sullivan and State
 of Tennessee, being of sound and disposing mind and mem-
 ory, and aware of the uncertainty of life do make pub-
 lish and declare this to be my last will and testament
 revoking all former wills by me at any time made.
 First I will and desire that my just debts and funeral
 expenses be paid as soon as practicable after my decease
 and as nearly all my personal property was destroyed
 during the late unfortunate war I have few resources
 left except my landed estate, and therefore I direct my
 executors hereinafter named to sell out or lease my land
 to the best advantage having due regard to the culti-
 vation and keeping up the same, and the proceeds to
 be applied as speedily as possible to the payment of my
 debts, but if it be found that this arrangement cannot
 be made to answer those of my children to whom I devise
 my land, in connection with my executors may make
 such other arrangements in regard to the same as in their
 judgment is best to attain that end

Second I give and devise to Anne B. Sevier and her hus-
 band David Sevier one hundred acres of land in the Long
 Island, beginning at the line between my land and the land

Bills recorded by Order of the

of John Netherland and running up the main river and the sluice with low water mark so as to make one hundred acres.

Third I give and devise to Geo. R. Netherland the remainder of my lands in the said Long Island after deducting the said one hundred acres devised to the said Annis & Harid Senior I also devise to the said George R. Netherland this portion of land I bought from J. J. Jennings to wit: the bottom land on the sluice and then begins at the lower end of said bottom on the said sluice and run up and along the bluff around to the upper end of the "Red Bottom" tract so as to include one hundred acres including the bottom in the estimate & being my intention to supply the said tract with timber.

Fourth I devise the remaining portion of my lands on the south side of Holston River to Annis R. Senior and her husband Harid Senior and to George R. Netherland to be divided between them in shares of equal value, the share of George R. Netherland to be laid off at the upper end of the lands and the share of Annis and Harid Senior to be laid off at the lower end so as to be more convenient to their other lands.

Fifth I give and devise to George R. Netherland one hundred acres of my land on the north side of the River known as the Island State. Beginning at a point at the foot of the ridge opposite where the Bear family now reside, on Mrs. Jackson's line near the corner of the clearing, thence running with the cleared land to such point as by running north to my line and thence with the same, forms to the beginning will make one hundred acres but not to include any portion of the cleared land.

Sixth I give and devise to my daughter Jane M. Corkle and her husband Samuel V. M. Corkle the remainder of my Island State land after deducting the one hundred acres given to George R. Netherland containing about three hundred and forty acres and also my land in the Island known as the Cherokee Island containing about forty one acres. But the devise to the said Jane and her said husband is made on this condition: if the said Jane shall die without leaving issue or the descendant or

County Court of Sullivan County

descendants of such issue surviving the said Jane, then the lands herein devised to her and her said husband shall be long to & be the property of the said Annis R. Senior and Harid Senior her husband and George R. Netherland, said Annis & Harid, having one share & said George R. having the other. Said share to be of equal value my intention being to give to the said Jane and her said husband said lands upon the same terms as those given to said Annis & her husband if the said Jane leave issue or the child or children of such issue surviving the said Jane, and if said Jane shall die without leaving living issue or the descendant of such then my will is that the said Jane shall have said lands for and during her natural life and at her death the said lands shall be the property of the said Annis & Harid Senior and George R. Netherland on the terms above stated.

Seventh I give and devise to George R. Netherland all my interest in the factors in the lower end of the Island rights I give and devise to Annis R. Senior and Harid Senior my improved lot in the lower end of Kingsport. Ninth I give and devise to my daughter Susan Netherland Twenty five hundred dollars to be paid to her by Harid Senior, wife, Samuel M. Corkle & wife and George R. Netherland, in this proportion Senior & wife are to pay one thousand & sixty dollars, M. Corkle & wife Senior one hundred and forty dollars, George R. Netherland Senior one hundred dollars. The interest on the sum due from each of them is to be paid to her annually and in case of her marriage the principal is to be paid to her in twelve months thereafter, and for the payment of said sums the lands herein devised are held bound for the amount due from each.

Tenth I give to my son with my daughter & Edgar South her husband my interest in a suit & recovery on Staines in Virginia in the case of Woods Huns & Brooks.
