Last Will and Testament of State of Tennessee
County of
Jane Hines Deceased.

Knowing the uncertainty of life and the certainty of death and being a believer in the immortality of the soul and our obligations to our Creator and also to our fellow creatures I propose to make this my last Will and Testament. I frame the Will of my late husband John Hines and I was placed in possession of all the estate owned by him both Real and personal during my natural life for my own use benefit & comfort. Finding the estate in confusion at the time of the death of my husband my wish was to pay up all the debts owing by him, and afterwards without using any of said estate for my support except so much as was grown on the land which was cultivated by Thomas Curran who has lived on the farm since the death of my husband. To satisfy the demands on the estate I have paid out of my own private means arising from my possession also a balance of money loaned to H. S. Dunsberry which was again claimed by my husband and paid from my private estate. Of the debts of the estate I have paid from the fund I submit the following, and will have a further record also the original receipts so that no confusion may arise as to my right to collect the same out of the estate of John Hines and to use it or dispose of it as I
