Last Will and Testament of Noah Cox, deceased.
of
Noah Cox, deceased.

I Noah Cox of Bartons, Tennessee, do make and publish this my last will and testament, hereby revoking and making void any and all other wills by me at any time made.

First I direct that my funeral expenses and all my just debts be paid as soon after my death as possible out of any money that I may be possessed of or that may first come into the hands of my executor.

Secondly, I give to my wife Emaline M. Cox, all the personal property I may own at the time of my death to use or dispose of as she may see fit, except that she shall sell enough thereof to satisfy such debts as may be outstanding at

the time of my death, but it is my will that my wife above mentioned is to have a home on, and the use and control of the farm upon which we now reside containing 74 acres more or less as long as she shall remain my widow.

Next I give and bequeath to my three sons viz, George Golden, Noah Bolton & Jerry D. Cox, the above described tract of land subject to the tenancy of their mother as above set forth in this will, the same to be divided between them equally and upon the following condition, that is to say, that they my sons shall pay to each of their full sisters viz, Elva Mand, Pearl Emaline, Eliza Stella and Blanche Hazel the sum of Fifty dollars (\$50.00) and also their half sister Virginia Hall formerly Virginia Cox & to the heirs of their half sister Etta M. Cox each the sum of \$50.00.

I mention here that I have paid to the others of my children by my first wife what I consider to be their share of my estate as follows, to my sons, William & James Cox each \$100.00 & my daughters Edie King & Beilin Barnes each \$50.00.

Now as to the payments to be made by my sons as above directed, I would say that it is my wish that they shall pay said payments as soon as possible after my daughters shall be 21 years old or after they shall marry, which they may possibly be able to do by the assistance of their mother, should I die before that time.

But I do not make it imperative that they shall pay same until my youngest son shall have reached the age of 21 years, then they shall pay them at the rate of one share each year, beginning at the oldest who is Virginia Hall & paying one a year till the youngest is paid.

I further direct that should either of my three sons the beneficiaries in this will die before reaching his majority then the remaining one shall have said land and carry out the conditions imposed upon the three.

I further direct my daughters above mentioned shall have a home with my wife & boys on the home place as long as they remain single and the \$50.00 above bequeathed to them shall not

he dies & payables as long as they so remain.
I further direct that should either of my sons
wish to sell his share of said land after they
have attained their majority that he or they
shall give the other brother or brothers the refusal
of the interest at the price & upon the terms at
Kirtick sale is made.

Lastly I do hereby nominate and appoint my wife
Emaline M. Cox, my executrix and direct that
she be excused from the execution of bond.
