Thos. D. Pemberton Clerk

Being desirous of making a disposition of my property both real and personal during life, and being at this time of a sound and disposing mind and memory I publish this as my last will and Testament, hereby revoking all other wills by me made.

1st It is my will that all of my personal property not absolutely necessary for the use of the family and to continue farming operations, shall be sold for the payment of my just and honest debts and if the sum produced by such sale is deficient then I desire any debt that may be due me and the money on my Life Policy shall be collected and applied to my debts.

2nd I give and devise to my wife Sue O. Pemberton in fee one hundred and seventy five acres of land off of my Home tract in Sullivan

County Tennessee - which is to be layed off to her as far as practicable adjoining and surrounding the share hereafter devised to my son Thomas Pemberton, I also give to my said wife during her life the use and enjoyment of three rooms in the mansion House to be selected by her.

3rd I have heretofore made advances to my son William Pemberton of Twenty Seven Hundred Dollars and that his share may be equal including said advance to my other devisees, I give and devise to the wife of my said son, Cecelia Pemberton for her life and the remainder to her children begotten by my son William Pemberton, fifty acres of land in my home tract in Sullivan County Tennessee.

4th I give and devise to my daughter Ida Barnes One Hundred acres of land off of my Home place in Sullivan County Tennessee, in fee also a tract of land in Polk County Florida consisting of about 120 acres which together with an advance heretofore made her of Three Hundred and fifty Dollars, makes her share equal to my other devisees.

5th I give and devise in fee to my daughter Nellie Pemberton the farm which I own in Washington County, Virginia, containing One Hundred and Twenty acres more or less, said farm lies on the Reed Creek Road and is known as the Baltzell farm. The above devise to my daughter Nellie together with with the sum of Eight Hundred and fifty Dollars which I have advanced her makes her portion of my Estate equal to the rest. It is my will however that should she make to me during my life any payments on said advance that she is to be credited on the advance by the same, and to the extent of said payments do to constitute valid debts against my Estate and charges thereon.

6th I give and devise to my son Thomas Pemberton the mansion House, and barn and all out buildings used therewith, subject to the limitation as to 30 years in Clause 2nd of my will, I also devise to my said son One Hundred and Thirty Two acres of land immediately surrounding

Adjoining and including the land with the Mansion House & out buildings, in fee. This devise is out of my Home place in Sullivan County Tennessee.

7th I bequeath to Flora Bell Booher for her faithful service to the family Twenty five dollars per year since she arrived at the age of 21 years for every year she has remained with the family up to the time of my death, and direct my Executors to pay the same out of my Estate.

8th Should there remain any personal property after the payment of my debts & legacies I desire the residue to be distributed equally among my wife and children except as to the House hold and Kitchen Furniture, which I desire to be equally divided between my wife and her two children Nellie & Thomas.
