NOTE.—The provision of the act of March 1, 1889, under which this special enumeration of survivors of the war of the rebellion is made, reads as follows:

That said Superintendent shall, under the authority of the Secretary of the Interior, cause to be taken on a special schedule of inquiry, according to such form as he may prescribe, the names, organizations, and length of service of those who have served in the Army, Navy, or Marine Corps of the United States in the war of the rebellion, and who are survivors at the time of said inquiry, and the widows of soldiers, sailors, or marines.

The entries concerning each survivor or widow should be carefully and accurately made, so that the printed reports may contain only thoroughly trustworthy information.

Spaces are provided on this special schedule for the entry of fifty names, or, more properly, terms of service. The spaces are numbered consecutively from 1 to 50, and cover the four pages comprised in each schedule. The inquiries made concerning each survivor or widow call for the repetition of the number of the house and family as returned on the general population schedule (No. 1), the name, rank, company, regiment or vessel, date of enlistment, date of discharge, and length of service (in years, months, and days) on the upper half of each page, and the post-office address, disability incurred, and general remarks on the lower half of each page. The column headed "Remarks" is intended to be used to cover any points not included in the foregoing inquiries, and which are necessary to a complete statement of a person's term of service in any one organization.

In the case of persons having served in more than one organization, use as many spaces as may be necessary to cover their various terms of service. In the case of widows of deceased soldiers, sailors, or marines, make the entry of her name on the dotted line, as follows: Brown, J., widow of _____, filling out the record of his service during the war, and giving under "Post-office address" the present address of his widow. _____
