The Commissioner of the 1st Road District of Lincoln County, Thereby have the honor to report that the Road Taxes for the year 1883 & 84 are fully paid in the hands of the Trustees (If he has collected them) with the exception of three dollars & a half for which I gave Robert A. Leage an order on the Trustee for lumber to make culverts under the river & Road at the long pond between Andersons and Hayans Mills. I have paid no over or under myself any thing for services for the year 83 & 84 because I was doubtful under our numerous road laws whether I was authorized to do so.

On Jan 1st 1883 I placed in the hands of Ed Luckers hands for collection as Constable a list of delinquent tax for the year 81 & 82 amounting in the aggregate to \$64.75 for which he gave me his Receipt.

Of this amount he has collected & paid over to me (& which I have distributed to the Overseers for 81 & 82) thirty three dollars & thirty one cents. The balance is still in his hands of course & he informed me over a year ago that he had fifteen dollars of the amount but has failed to pay it over. I bring this matter to the attention of the Court that your Wardships may take such action as you deem best. Respectfully Submitted July 6th 1885.
