Report of Committee to settle with trustee was read and ordered of record which report is as follows

To the Honorable County court of Unicoi County.

We Your committee appointed at the August term of your Honorable Court for the purposes of investigating all Settlements made between the chairman and the Trustee of Unicoi County. Say in reference to their said duties that after examining all books records and other papers Supposed to shaw any light upon the questions before them beg leave to submit this their report We find M. H. Booth former trustee of Said County did on the 7th day of June 1886 Settle for pay over and Obtained a receipt from the Chairman of all the county and Special taxes for 1881 - 1882 - 1883 - and the Special taxes for year 1884 which Settlement as far as this committee can ascertain is correct. We further find the Said M. H. Booth trustee charged with the following taxes

County Tax for 1884	$771.28
County tax for 1885	" 779 18
Special Tax for 1885	" 168 77

But We further find an error on the tax aggrate book for Said years 1885 of $1400. Which error is as follows in the 3d District on said tax aggrate the total valuation of taxable property is put down to be $27934. whereas in Said Book when the 3d district is carried up to

of the difference between said sums which is as aforesaid
$14.00. And the county part of this sum is or was for
said year $5.60 and the Special on said sum of $60.4
which would be $8.40 We further find the total of all
taxable property in the county for said year of 1885
was $194795 - on the aggregate where as on
the treasures books it is 183605. So if the tax
aggregate on the clerks books be correct the
trustee would be liable for county tax for
1885. $ 779.18
and a Special tax for said year 1668 68
if the trustees books is correct the county tax on
said $183605. would be 734 42
on the Special on said sum would be $ 1091 68
in order to be positively correct it would be
necessary to go over the entire tax list for said
years it is further of record and was so
reported by W.G. Emmert and H.H. Bannon as
a committee that there were County and Special
taxes in the hand of said trustee was for 1884 $ 1349.74
and Special taxes for 1885 of 968 77
When as aforesaid the trustee has a receipt for
all the Special taxes for 1884. Who on what is
correct the committee are not prepared to say
as they have not the time to go over the entire tax
list and correct said error. But we think is
advisable to adopt the aggregate of county tax for
1884 $ 771.28.
County tax for 885 of 779.18 less the county tax
on error of $14.00. which would make the
trustee liable for county tax for 1885 of 773.58
and deducting the Special on $14 00. from the $1160.37
would make trustee liable a Special tax for 1885 of $ 1160 37
making a total of county and special tax for 1884
& 85 for which trustee is liable of $ 2705.23
on which amount the trustee is entitled to the following
credits Releases by the court $ 26 56
Releases on delinquent realty now in hand of W.G Emmert 51 90
Trustee paid in Scrips 29 00
In cash and warrants as filed 2266 78
$ 8.00. of which amount was paid on the Harris
and Maynard Judgements land sales by trustee
under the existing laws for 1884 $ 44 84
Same in year 1885 39. 80
Commissions on amounts collected 136 00
Total Credits trustee allowed $ 2594 83

This amount deducted from the amount trustee liable for
1884 & 1885 of $ 2705.23
makes trustee Still due on county and special tax for 1884 & 85 $ 100.40
But if the tax aggregate of total valuation of $183605
be correct then the trustee will be liable on county and
Special tax for 1884 & 1885 of only $ 12 50
We further find said trustee liable for School taxes
as follows Amounts received from county for 1881 $ 1107 78
from county for 1882 1183 79
" " " 1883 986 18
" " " 1884 1092.84
" " " 1885 1172 20
Total collected in County $ 6542 79

amounts received from State 1882 $ 348 31
" " " 1883 347 69
" " " 1884 356 90
" " " 1885 334 24
" " " 1886 329 79
Total received from State 1709 91
amounts received from Clerk of county court an account
of Marraige liens and privaledges &c $ 120 50
Total on picked up taxes for for sales 18 10
Total School tax for which trustee is liable 7371 30
The trustee on School taxes is allowed the following
credits Paid teachers and others persons authorized
to receive the same $ 6421.03
Releases on polls 707 40
Releases on lands in the hands of W.G Emmert 9 02
releases lands sold by trustee 50 08
Commissions on county part 1½ of 71 93
Commissions on clerk and State 101 of 18 09
Total amount of credits of School tax for which
Trustee is entitled $ 7277 55
This deducted from amount for which he is liable
leaves School money in hands of trustee Booth
due and unpaid $ 93 75
We also find said trustee liable on road tax for year 1883 $ 151.11
" " " " " 1884 962 44
" " " " " 1885 154 70
total road tax 402.25
The following is an account of credits for which the
trustee is entitled Paid commissioners & road overseers 217 25

We now having now went over all the settlements submitted to us for consideration think it not amiss in conclusion to give your honorable body a few figures showing at a glance the present financial condition of our county which is as follows.

Judgments against the county Hallis & Monroe with interest thereon up to July 1st 1888 yet due	$ 955	10
Balance on Toney & Co judgments now in hands of Jonesboro bank with interest to July 1st 1888	15 17	40
Judgment in favor of J. T. Toney & Co taken before B. W. Woodwood J.P. May 26th 1888	578	08
and interest on same to July 1st 1888	601	46
Total judgments and interest to July 1st 1888	311 7	96.
Outstanding warrants	1077	21
This added to amount of judgments makes total liability of county up to July 1st 1888 to be	4195	17
From this sum deduct amount of County and Special tax for 1887 still in hands of trustee and we have the indebtedness of the County to be over and above her assets the sum of	2894	29.

We would further suggest that there be an order of your court to burn all canceled warrants and other vouchers such as scalp certificates school orders road vouchers &c which we have considered in this settlement

By reference to the assessors books in clerks office we find the total assessment of property in our county to be $2764480. for 1888.

July 2d 1888.

In order to meet our present indebtedness now we would be forced to make the following levy of Special Taxes on each one hundred dollars taxable property to wit:

To pay Harris & Moncrief Judgment 88½
Tenny & C Judgment in Jonesboro Bank
and the recent Judgment 82 2/3
outstanding warrants 41½ making in the
aggregate $1.62½ on each one hundred
dollars taxable property of 1888.

Recent polls together with the foregoing figures all show most clearly that the strictest economy should be exercised in the management of our financial affairs and we would suggest as one retrenchment of expenses that pauper claims which have heretofore been issued in advance be hereafter issued for the past quarter and not in advance. That is to say pay no claim not even pauper until the end of the quarter for which the warrant is issued.

All of which is most respectfully submitted

On this Dem the trustee is entitled to one credit as follows.

Released by the Court October term 1888		20
Making a balance of road tax for 1888 now in hands of the trustee the Sum of	135	84
To this Sum add the Counties liabilities on road tax for 1887 and we have the present liabilities of the trustee to January Court 1889. to be the road having carefully examined all the settlements submitted for our inspection think it not an encroachment on the time of your honorable body to give you the financial condition of our County at the time of the sitting of this Court last January. We find Judgments against the County as follows.	282	476
1st Balance on Judgment in favor of Harris & Maynard with interest to January 1st 1889	188	83
2d Judgment in favor of J. F. Tony & Co now in the hands of the Jonesboro bank with interest to April 1st 1889	1058	82

Interest on same to January 1st 1889	1	58
Making a total of this Judgment Principal and interest to January 1889	634	55
Making total including interest to April 1st 1889		

April 1st 1889.

Costs on Judgments	$ 2	00
Outstanding warrants	1014	63
Making total liabilities of County January 1st (including Road interest to April 1st) in the aggregate the Sum of	3380	60
This amount assets of the County Subtracted from this Sum leaves the liabilities of the County over and above its assets the Sum of	734	33

Which is as near accurate as the Committee are able to find from the records before them.

But we would say in this connection we believe many of the warrants which the books show to be outstanding have really been taken up and cancelled, this is the unanimous opinion of the Committee called to whom we refer in consideration the remoteness of the dates of some of the warrants and the parties to whom they were issued. Now in Conclusion we would say, that it is well known to the Court as well as to the Committee that there has long been extant the Court among the citizens of this County a current of complaint and this fact constitutes the apology which the Committee makes to the Court for offering the following recommendations.

1st That all files of Cancelled warrants which the Committee have passed and reported on be tied and now burned together with all School and road vouchers which have been passed upon and found correct.

2d That your honorable body will pass an order authorizing the investigating Committee to have all warrants School and road vouchers when in their judgment it is right and proper to do so.

April 1st 1889.

And now being as we think faithfully and impartially served prior we most humbly pray that this our report be adopted together with our recommendation and that we be discharged.

Notice of explanation.

By reading the deed to David Bell and his thence that from the 3d Corner Counted from index No 1 on this plat that it makes a cap on the Smithsons land, also on William Mathisons. As this matter was not at the time of this Survey thoroughly investigated it was agreed for the time being to be governed by the Smithsons South and the Mathisons East for the Southwest and North west side of Eddy Bells allotment and the Calculation was made to these lines. But should it hereafter appear in a close and legal investigation of these interlocks on the Smithsons and Mathisons & Snyd lands by said deed to David Bell then Eddy Bell is entitled to any and all lands that may be recovered in the bounds of said deed. Ordered by the Court that W.S. Bowman administrator of Milburn Bowman deceased be and is hereby allowed his account filed and sworn to as required by law also that he be allowed for services as such administrator the sums charged by him it being in opinion of the Court reasonable and just which amount is now $47.50 Forty seven Dollars as appears from his authenticated account.

V.S. Bowman admr &c
vs
Isaac McNabb et al

Order.

This cause coming on to be heard and determined on this the 4th day of January 1892 before the worshipful County Court of Lenoir County on the petition of Complainant V.S. Bowman administrator, Judgement pro confesso against each and all of said the defendants; Viz Isaac McNabb Morgan Cooper, J.F. Cooper S.F. McNabb, Mary N. Moy, E.J. Mills, Heneken Mills, S.B. Sandrett W.W. Sandrett, J.A. McNabb, David McNabb, Mary Bunk, Emma Tapp, Jack Tapp and W.E. Bowman which was taken and entered of record against them at a former term of this Court; and also the documentary evidence and depositions of witnesses and exhibits thereto from all of which it appears to the satisfaction of the Court that the petitioner V.S. Bowman is entitled to the relief prayed for in his said petition. That is to say; That it appearing to the satisfaction of the Court that Johnston McNabb died without issue, and intestate in Lenoir County Tennessee on the 8th day of September 1890 and that all the defendants are his kin at law and that the petitioner V.S. Bowman is the administrator of his estate and as such has given bond and qualified as required by law. And it further appearing to the Court that said Johnston McNabb was at the time of his death the legal and equitable owner of a certain tract or parcel of land situated in the 3d District of Lenoir County Evan adjoining the lands of R.E. Sowell, Bowman's heirs and others and bounded as follows Viz— Beginning on a sourwood and sporish oak on the line of Evan Shelby (1782) on top of a hill N 60 W 152 poles to a stake Bowman's line to a stake S 34 W 70 poles to a stake Bowman's

Walnut Shields Corner, S 36 E. 42 poles to a white walnut Tree Corner to a 16 acre tract bought of Andrew McNobb of Anna Lee Creeting of P.O. Loveland in 1839 S 5 poles to a Dogwood. S 12 E 33 poles to a Spanish oak and Dogwood Coopis Corner N 65 (E) 90 poles to a white oak Coopis Corner N 75 E. 36 poles (Colley) to a stake Coopis Corner and on the Shields (Colley) line (1782) N 54 poles along the Shield line to the Beginning, Containg Eighty five & one half acres And it further appearing to the satisfaction of the Court that the said Johnathan was at the time of his death owner of a few articles of personal property which when sold by the petitioner as his administrator was wholly inadequate to pay the just debts of said deceased and that said personal ~~property~~ estate has been & is needed in the payment of bonifide debt and that other debts are justly due and owing by petitioner for advances out of his own means to pay just demands against the estate and that other creditors of said estate have just demands now due and unpaid.

And it further appearing to the Court that said V.S. Bowmon as administrator has out of his own personal means paid certain debts of the said deceased as aforesaid and is now a bonifide and lyal creditor of the Estate. And that there is not a sufficient amount of personal property to pay said administrators just Claims or any part of them. And it further appearing that Augustus McNobb and Samuel McNobb as heirs of said Johnathan McNobb did for a valuable Consideration on the ___ day of May 1891 Sell and Convey to petitioner their undivided interest in said tract of land which was one ninth of the whole in kind or one ninth of the net proceeds of the Same. And that now V.S. Bowmon is the Owner of said interest by purchase as aforesaid which undivided interest has never been set apart by metes and bounds and that said Bowmon is now in possession thereof as owner in fee simple.

land as provided by law in such cases.

And it appearing to the Court that said land is so situated that partition thereof cannot be made but that it would be manifestly to the advantage of the parties that the same should be sold instead of partitioned.

It is therefore ordered by the Court that said land herein before described be sold by the Clerk of this Court at 12 M on the 6th day of February 1892 in front of the Court house door in Erwin. But before said sale the clerk will give written notice of the time, place and terms of sale by five written posters placed at five public places in Harnett County, one of which places to be the Court house door in Erwin, one other posted up at some public place in the district where the said land lies the remaining three to be posted at three different public places in Harnett County. All of which shall be posted up for 30 days prior to said date of sale. But by special order publication in a news paper is dispensed with and not required. And after said land has been duly advertised the clerk will on said day proceed to sell the same at public outcry to the highest bidder. the purchaser at said sale shall pay one half of the purchase money in hand and for the remaining half execute notes payable to the Administrator with good personal Security, and the clerk will as a further Security retain a lien on all of said land until the balance of the purchase money with interest is fully paid. But it is expressly provided that should the administrator V.S. Bowmon at any time within thirty days after said sale, be able to get a higher price for said land than that bid at said sale then the said administrator with the approval of the Court may accept said bid and report the same to the clerk of this Court. Should said sale be made by said administrator it shall be upon the terms as if the sale had been made by the clerk. And after the expiration of said thirty days from Feb 6 1893 the Clerk or Administrator will offer the proceeds of said sale

1 Do the payment of all the cost of this cause including a fee of Forty-five Dollars ($45) to R.M. Gilbert Solicitor in this cause as his reasonable counsel fee.

2d Pay all the just debts of said deceased including a reasonable amount to said administrator for his services.

3d Divide the residue equally among the parties to this cause according to their respective rights as follows. M.E. Brinson, Mary H. May, David McNabb and Isaac McNabb shall each receive one ninth of the net proceeds and J.F. Cooper and wife Margaret shall receive one ninth, L.B. Sandrich and W.W. Sandrich one ninth, E.J. Miller and her husband Reuben Miller one ninth, V.S. Brinson one ninth and Emma Zopp and husband Jacob Zopp, Mary Buck, J.N. McNabb and David McNabb shall share equally among them the remaining one ninth of the net proceeds of said sale. It is further ordered that the clerk make his report to the April Term of this Court showing

1 How he has complied with this order and the amount bid for said land or should the said administrator receive a higher price at private sale than the sum bid at the sale to the clerk then that fact will also be shown that said latter sale may be adopted

2 The indebtedness of said estate with names of creditors and amounts paid on same by said administrator with any sum he may have paid said his

3 The balance on hand if any remaining in hands of said administrator.
