I Patrick Moore of the State of Tennessee and County of Washington make and subscribe this My last Will and Testament.

First. I Will My body to the earth and My soul to God when gave it. I Want my several debts and just debts paid then I Want My Wife Ann Moore to have all the real and personal effects I own in possession of until Fred & Moore My youngest son is of age then if she is still My Widow to have it as long as she continues to be My Widow but if she is Married when said son is of age I direct that everything real and personal be sold as I direct the direct. 2. If the Mother of the said son Fred Moore is of age I direct all my effect, real and personal sold for distribution to My Wife Ann Moore if she dies before My two boys, Blaud and Fred Moore are of age I direct that the rest of my farm and personal effects be sold to the raising and schooling of My two boys, Blaud and Fred Moore and that they have good English Education. If Blaud and Fred Moore die before they are of age I direct that my estate be wound up and disposed of as I hereafter direct. When the time comes to wind up my estate as a boy mentioned I direct that all I have real and personal be sold to highest bidder an any and two years credit except fifteen percent down.

If I die in possession of the Laurel Creek Mill I direct that it be sold either at public auction or privately as my Executors may think best the proceeds of which to be used to the raising and schooling of Blaud and Fred Moore if needed in that way if not to be loaned out until the final wind up of my estate.

When it comes to the final winding up of my estate I direct that each and every of R. Moore's four children to have one hundred dollars divided among them as they become of full age. As the divide of the Park land among I shall set of My children of which I shall this receipt. I now direct as R. Moore owed one fifty dollars in notes and accounts that fifty dollars be taken out of that dividend the other fifty dollars be equally divided among my four children as they become of full age per the receipt I do not pay them while I live in that sum. I Will take this receipt for the same. I then direct as I set one hundred and fifty dollars out of My Wife Ann Moore's father's estate and applied it to my use that My Wife Ann Moore one hundred and fifty dollars out of my estate to use as she sees proper. In the event she is not living at that time I want Blaud and Fred Moore to have it. Thus I direct that Blaud and Fred Moore My sons have one hundred and twenty five dollars each to make them equal with My old set of children that I gave the Park farm to.

valued at seven hundred and fifty dollars, then I direct that John Spinkman and wife R. J. Moore, then J. M. Moore, James Moore, E. W. Moore, Clark and J. Moore, each have fifty dollars to make them equal to J. M. Moore. When has taken up fifty dollars for which I have a note and accounts for, after this is divided equally among all my delayed children in the event any of them tries to change or make this my will in the meantime do I don't want that any or any to have any thing whatever in the event my wife has any other children I then direct that that share as given be made equal with the other children. I nominate and appoint J. M. Moore my son, James Moore my wife and Clark Moore my son of age Executors of this my will. Witness my hand and seal this Oct 13 1899.
