

S. W. Willetts Will. Cont.

I wish no sale made of my personal property by my Executors unless such as they may not think ^{and} in the event of it becoming necessary to make sale of some property to pay debts that my Executors shall sell some piece of my plantation so as not to damage the balance. And if I have means sufficient after paying all my debts left I would prefer a neat cheap Building made upon my farm for my family to reside in and that my house and lot be rented out by my Executors to be carefully managed so as not to abuse or destroy. I also wish my Executors to suffer no waste of timber on my plantation. I do hereby appoint my friend John F. Deedrick my Executor and request that he manage my Estate as well as he can for the interest of my family. - June 21st 1853,

S. W. Willetts
