Executor Settlement

State of Tennessee }  
Union County } This Cause come on to be  
heard before me J B Brum Clerk of the County  
Court for said county upon the Application of  
the Executor on this 28<sup>th</sup> day of September 1883  
And it appearing that said Executor has after  
due notice thereof made sale of all the personal

and not excepted to and that Notice has  
been given to all the parties interested in the  
Settlement of said estate to attend and examine  
the accounts and admit or file exceptions thereto  
and exceptions having been filed I therefore find  
that the Executor has been properly charged with  
all the personal effects that came to his hands belonging  
to the estate of his Testator described and set forth  
in the several Inventories and Sales hereto filed  
in Schedule C One on the 21<sup>st</sup> day of Oct 1876 &

has not been received by him but comprises  
the entire sum charged against the deceased

Statement of W J Killion Admin of estate of  
W J Killion deceased

Being appointed and qualified as administrator of the estate of W J Killion, and receiving letters of said Administration directed me to take in charge all assets of said estate and return an inventory of same to the Court. (Instead) I present the following. I find no outstanding claims against the estate and the widow Mary Killion present receipts against all known claims against said estate. As all property of the estate left rightfully belongs to said widow, I deem it unnecessary to take an inventory and submit this report in room of an inventory this Nov 15 1919

Report of Geo Thomas adm  
estate of Sarah Sparks deceased

The undersigned George Thomas, Clerk for  
on the 20th day of April, 1928 appointed administrator  
of the estate of Sarah Sparks: Who died intestate in  
Munson County, Tennessee on the 22 day of  
March, 1928, has leave to submit the following report.  
Since my appointment and qualification as administrator  
of said estate I have made a careful and diligent search  
for assets. The only property I have been able to locate  
are a few small articles of household goods which are  
now located at the home of decedent's relatives in  
the State of North Carolina. I am informed and  
believe, and upon such information and belief state,  
that the value of this property is not worth more than  
Ten (\$10.00) dollars, and the cost and expenses incident  
to the recovery and sale of said property would be  
considerably more than could be realized out of this  
property.

I further state upon information and belief  
that said estate is indebted as follows:

|                          |           |
|--------------------------|-----------|
| Allred Furniture Company | \$ 200.00 |
| Amey and George Sparks   | 125.00    |
| W & Roberts atty about   | 30.00     |
| Roy Jaff                 | 25.00     |
| D M Gunn atty            | 25.00     |
| Sam J Duncan             | 40.00     |

Said estate is probably indebted to various  
other parties, but it may not be the debts greatly  
exceed the assets, and said estate is therefore  
insolvent.

I therefore pray that this report, suggesting the

 Jas H. Price

James WJ Price, who was heretofore was  
 the 31st day of October, 1923, granted letters  
 of Administration upon the estate of James  
 H. Price, deceased, and makes the following  
 report.

There was paid over to said Administrator  
 by the United States Government the sum of \$729.00  
 this being the Commuted value of a certain  
 War risk insurance policy due the estate  
 of Jas H. Price. The decedent no other property  
 which the Administrator has been able to  
 discover. So far, as has been learned upon  
 diligent inquiry, the decedent owed no  
 debts; but in the event that he might  
 have been indebted at the time of his  
 death, this Administrator would swear  
 that the decedent has been dead more  
 than ten years and that for that reason  
 said debt would not be collectible by law.  
 Respectfully submitted.

I have investigated the  
condition of the estate of W. J.

W. J. Worsham, of which I qualified  
as administrator at the Nov. term,

assets will not be sufficient  
in value to satisfy the just  
debts against said estates. I  
therefore suggest the insolvency  
of said estates.

In the matter of  
Grace Whitson, Administratrix,  
of the estate of Frank Gauge,  
deceased.

I, Grace Whitson, Administratrix  
of the estate of Frank Gauge, deceased,  
respectfully submit this my final  
report and account.

The only asset of the estate  
of the decedent was a life  
insurance policy payable to his  
estate from which I received  
the sum of \$1341.96. Decedent  
owed Jay S. Litty the sum of  
\$50.00, which I have paid. Decedent  
was unmarried and his next  
of kin was his father, Ray Gauge.  
The father desired that the  
fund be distributed equally  
between him and Frank's brothers  
and sisters, and after the  
payment of necessary expenses  
and debt of the estate, I  
distributed the balance to  
the next of kin and attach  
hereto as Exhibit "A" receipt  
in full of Ray Gauge, which  
receipt acknowledges that said  
fund has been distributed  
as desired by said next of  
kin.

Your administratrix respectfully  
prays that this cause be  
closed and that she and  
her sureties on her bond be  
released.

Respectfully submitted, this  
the 23rd day of June, 1932

Grace Whitson  
Subscribed and sworn to before

I acknowledge that said estate, consisting of the recovery had by Mrs. Grace Whitson, Administratrix, on one insurance policy on the life of said Frank Gauge, has been equally divided among me and the brothers and sisters of said Frank Gauge, I having agreed in writing that said brothers and sisters might share equally with me in the distribution of said estate, the said Frank Gauge having died intestate and unmarried.

State of Tennessee  
Union County.

Final Settlement of Ellen Taylor Administratrix  
of the estate of S.P. Taylor, deceased, late of Union  
County. To The Honorable J.E. Woodward, Chairman  
County Court, Union County, Tennessee.

Said Administratrix would respectfully  
represent and show.

That at the time of the death of her  
deceased, he had on deposit at The First State  
Bank at Eswin, Tennessee, the sum of (\$300.00)  
Three Hundred Dollars: And he was the owner a  
one half undivided interest in a house and  
lot in Eswin, Tennessee, subject to the homestead  
and dower rights of his widow. After qualifying  
as Administratrix of the estate of the deceased  
I proceeded to take charge of the personal estate  
the total value of which being said 300.00

He not having any <sup>other</sup> personal property I  
applied the said sum of \$300.00 to the payment  
of the funeral expense and when I had so  
applied the same there remained the sum of  
\$11.00 yet unpaid and due on the said account  
and this I paid from my personal funds, leaving  
the said estate due to me on the said  
account the sum of \$11.00.

Your Administratrix would further  
represent and show that she not only paid  
the \$11.00 from her personal fund but that she  
paid the expense of the monuments at his grave  
which amounted to \$225.00 and also many other  
accounts which she will not set forth herein.  
as she is advised that, inasmuch as the  
estate is insolvent, there would be no way  
for her to collect the funds so advanced by her.

I file herewith verified statement showing said  
funeral bill paid by the undersigned.

Your Administratrix would further represent and  
show that in pursuance of her duties as such  
Administratrix she proceeded to advertise by notice  
as required by law directing that all persons  
claiming or holding obligations against the said  
estate properly file and prove them with her, but  
that no claims were filed or proved except  
those due to her in her individual

capacity.

191  
and the funeral bill as set forth above,  
and the funeral bill having been settled by  
her as set forth above there were no other  
debts outstanding except those due to her in  
her individual capacity. That as Administratrix  
and in her individual capacity your Administratrix  
proceeded to file suit in the Chancery Court  
at Eswin, seeking to sell the real (estate) property  
and convert the same into money and did sell  
the same by order the Chancery Court at Eswin,  
Tennessee but after the payment of the costs  
and expense of the sale and the homestead and  
dower rights of the widow, there were no funds  
left for payment to her as Administratrix.  
Your Administratrix therefore reports that she has  
fully administered the said estate and that  
there remains no funds in her hands, and there  
is no further property to be administered upon  
and she therefore respectfully requests that she  
be discharged and relieved of further responsibility  
in the matter. Respectfully Submitted this 6<sup>th</sup> day, 1933  
Ellen Taylor, Administratrix

State of Tennessee  
Union County.

Ellen Taylor being duly sworn  
deposes and says that she has read the foregoing  
report and that the statements therein contained are  
true to the best of her knowledge, information, and belief

To The County Court of Union County, Tennessee:  
Mrs Elizabeth B. Palmer Administrative of N.P. Palmer, Deceased, beg to make this her final report and Settlement as such Administrative;

On September 20<sup>th</sup> 1932 The Administrative filed an inventory and report showing that she had received as suggest of the decedent from Clinchfield Railroad Company the sum of \$104.88 being all of the goods and Chattels of the estate coming into her hands as Administrative and that the said amount was not sufficient to pay the funeral expenses which amounted to \$ 414.35. Therefore The Administrative had no funds belonging to the estate at that time.

The Administrative reported that she made a settlement with Clinchfield Railroad Company under the Federal Employees Liability Act. for the death of the intestate for the sum of \$ 9,500.00. One third of which, to-wit \$ 3,166.66 was paid under the order of the court to the Attorney representing the Administrative leaving a balance in her hands of \$ 6,333.34

The Administrative reports that N.P. Palmer, son of the decedent by a former marriage claimed a part of the recovery and the Administrative in order to avoid litigation finally settled with the said N.P. Palmer paying him the sum of \$ 3250.00 in full Settlement of all claims which he might have against the estate as the son of N.P. Palmer or otherwise. The Administrative has also paid \$ 300 fee to the County Court Clerk. The balance left in the hands of the Administrative out of the said recovery after payment of the said sum of \$ 3250.00 and said fees is \$ 6,005.34. The said recovery being for the benefit of the Widow and dependent Children of the deceased The said Widow Elizabeth B. Palmer and Nelson Brown Palmer and Harold Vernon Palmer are each entitled to one third of said amount, namely \$ 2,001.78

Final Settlement of Thos. Earl Mc Inturff Adm. D. M. Mc Inturff

To The County Court Clerk of Union County  
Brown, Tennessee.

My Dear Sir:

This is my final report on the estate of D. B. Mc Inturff. This estate consisted of two houses and 18 lots in Union, also one half interest in Store building in Union. One pair of Seals, and a small stock of groceries which I sold for one hundred & eighty dollars \$180.00 to Earl Mc Inturff also one fifth interest in the old Mc Inturff homestead on Rock Creek.

On the 5<sup>th</sup> day of March 1932 the small caught on fire and was burned (to the ground) This house was insured but the insurance had just expired so of course I could not collect. (Insurance) The house was mortgaged to J. M. Martin & Son, Johnson City, Tennessee for the sum of \$325.00. They purchased and sold the lots for the sum of \$100.00. Since this they have an agreement with the Farmers Mutual Fire Insurance Co. by which they are to receive \$202.10 of the \$500.00 for which the house was insured.

The total indebtedness of the estate Five thousand six hundred & thirty seven Cents \$5637.47 of this amount I have paid One thousand five hundred twenty seven dollars & thirty five Cents \$1527.35 with the exception of one hundred eighty dollars \$180.00 I have paid the rest from my own money which would leave the estate indebted to me to the sum of One thousand three hundred forty seven dollars & thirty five Cents \$1347.35.

Refused from 225  
Final Settlement of Milt Pate Adm.  
for the estate of E. W. Pate deceased

State of Tennessee  
Union County

To The Honorable W. M. Brown, County Judge  
Union County, Tennessee.

I made a careful investigation of the estate of the deceased E. W. Pate of which I was heretofore qualified as Administrator, and upon investigation I found that there were practically no assets but he was at the time of his death operating a saw mill and had a contract to manufacture certain timber into lumber, and feeling sure there might be a possibility of earning something for the estate I proceeded to complete the contract which the deceased had made and I cut the timber, and in so doing the expenses thereof amounted to as much as the gross receipts, and I was not successful in making anything for the estate on the deal, I have heretofore reported my receipts and disbursements in connection with this lumber operation in that report it will be noted that my total receipts were \$520.48 and my total disbursements were \$530.93 including commissions allowed and since there are no further or other assets to be administered upon, and while there are many just debts against the estate, it therefore definitely and positively appears that the estate is insolvent and that there are no assets which to pay, and insolvency of the estate is therefore suggested.

In obedience to my duties in connection with this estate I have made diligent effort to realize something for the benefit of the creditors but have been able to find any thing out of which any thing can be realized for the benefit of the creditors, and I did make disbursements in connection with the lumber operation which exceeded the receipts and I sustained a personal loss in my undertaking. Report submitted this 18<sup>th</sup> day of Oct. 1935

249  
Final Settlement of Bieda C. Hammett, Adm.  
of W. Hammett, Deceased

To The County Court of Union County, Tennessee  
The undersigned Bieda C. Hammett, qualified  
as Administratrix of her deceased husband  
W. Hammett on March 17, 1936, on September  
13, 1932 she filed with the County Court of Union  
County, Tennessee, a report showing receipts and  
disbursements as said Administratrix. The report  
showed that she had collected the proceeds of a  
life insurance policy on the life of her deceased  
husband, payable to his estate in the amount  
of \$2000.00 which said amount was liable to  
distribution as follows:

|                    |                 |                        |
|--------------------|-----------------|------------------------|
| Bieda C. Hammett   | Widow           | \$666 66 $\frac{2}{3}$ |
| Manda B. Hammett   | Age 13 daughter | 666 66 $\frac{2}{3}$   |
| Frances V. Hammett | Age 12 daughter | 666 66 $\frac{2}{3}$   |
| Total              |                 | \$2000 00              |

The said report showed that said Administratrix  
invested the entire sum of \$2000.00 in  
United States Treasury Bonds.

The said report further shows that all the  
debts of said W. Hammett were paid, leaving  
in the hands of said Administratrix subject  
to distribution the sum of \$2648, one-third  
of which was payable to the undersigned as  
widow, and one-third to each of said daughters.  
The said Administratrix in discharge of her  
obligations as such, transferred to herself, as  
Guardian of Manda B. Hammett and Frances V. Hammett  
daughters of her deceased husband, the entire  
proceeds of said life insurance policy to wit:  
the said \$2000.00 which had been invested  
in United States Treasury Bonds. Therefore the  
said Administratrix has more than accounted  
for the shares of her said two daughters in  
the estate of her deceased husband and has  
paid to them more than they were entitled  
to under the law.

Wherefore, the undersigned petitions your  
Honorable Court to approve the settlement made  
by her, and to discharge her as Administratrix  
and the sureties on her bond.

Respectfully Submitted this 24 day of

J. J. Chandler, Clerk

The undersigned here to leave to submit the following report as to the claims filed against the estate of W. C. Toney, deceased and allow the creditors to be paid pro rata from any funds which may stand for distribution in this case.

This claim is evidenced by a note in the amount of \$100.00 executed by W. C. Toney, January 3, 1932.
3. Mrs. Julia Alice Toney ----- \$250.00  
This claim is evidenced by a note of W. C. Toney dated September 1, 1931, in the principal sum of \$650.00 less a credit of \$400.00 dated August 30, 1935, by sale of real estate. This deficiency would bear interest from September 1, 1932.

This debt is evidenced by the note of W. C. Toney dated Dec. 31, 1932, and payable to the order of Mrs. C. M. Slay, due six months from its date, and bears interest from from the due date. This note was transferred by Mrs. C. M. Slay to the above named creditor without recourse, and any fund payable there would be due the said claimants above named.

The above and foregoing are all the claims that have been filed in this Court against the said estate, and since the time for filing claims is now expired, this report is filed showing all claims against the said W. C. Toney estate.

Clerk would further report that it appears that there are no personal assets out of which any part of these can be paid. It does appear however, that the deceased left some real estate, but it is uncertain as to whether or not there can be anything realized from this for payment on any of the claims against the deceased. It appearing that that the widow is entitled to a homestead and dower, and all the property appears to be incumbered heavily.

Respectfully submitted this the 14 day of February 1936.

# Final Report of R.D. Sneed, Administrator of R.D. Sneed, Deceased.

To the Honorable Court of Union Co. Tennessee.  
Having been appointed Administrator of the estate of A.L. Sneed on the 4<sup>th</sup> day of February, 1937, and having investigated the personal estate left by the deceased A.L. Sneed at the time of his death I find that he did leave the following items of personal property:

Cash on hand \$ 28.00 plus a few Cents  
A few household goods consisting of beds, dishes, etc. the value of which is probably \$25.00  
Farming implements consisting of plows etc. worth about \$10.00  
Shop tools etc worth probably \$ 5.00  
Live Stock consisting of one cow, two hogs, One Steer, 24 chickens worth perhaps \$100.00

All the above mentioned personal property and all the personal property belonging to A.L. Sneed at the time of his death is worth perhaps less than \$200.00, and I am advised all of this property is exempt to and belongs to the Widow, Mrs. A.L. Sneed. As a matter of law and I am further advised it is not my duty to take over this exempt property; but that the Widow has the right to dispose of it in such manner as she deems proper and with her consent I did pay out the \$25.00 item of cash above mentioned on the funeral bill of A.L. Sneed and also with her consent the above mentioned steer was sold for \$75.00 and this was applied on the funeral bill. I have in my possession thirty nine Cents (39¢) which I am advised belongs to the widow and which I am turning over to her. All the other above mentioned property is in possession of the Widow and under her control. Having ascertained the above mentioned facts I am of opinion that A.L. Sneed left no estate to be administered upon and I therefore seek to be relieved from further duty in this matter and released in all respects as Administrator of the estate of A.L. Sneed. All of which is respectfully submitted.

In the Matter of:  
Sam Morrey, deceased

Administration of Estate.

I, the undersigned Raymond Morrey, as Administrator of the estate of the deceased Sam Morrey, beg to file this as my initial and final report of the Administration of the said estate. My report is as follows:

After qualifying as Administrator of the said estate, I proceeded at once to investigate the estate, and upon such investigation, I found that there was practically nothing to be administered upon. There came into my hands the sum of Sixty Two Dollars and Seventy-eight Cents, as balance of funds due from services rendered to the Railroad Company, by the said deceased. He left no other personal property of which I have any knowledge, and there is nothing further to be administered upon, and the total money coming into my hands as Administrator of the said estate aggregates

As stated heretofore, there were no other assets belonging to the estate, and there was no property to set apart for the widow's year support, as homestead, or where there was a small parcel of real property, but this was incumbered to such an extent that it would appear that there was no equity therein. And therefore, at the request of the widow and the children, I applied the full amount of money coming into my hands to the payment of the grocery bill of \$59.78 and the expense of the Administration, which was \$300 making a total expenditures aggregating the sum of - - - - -

There were not sufficient funds to pay any other debts, and it would seem that there is no necessity of further Administration, and I do therefore respectfully request that I be discharged as Administrator of such estate and that my sureties on the bond filed by me qualifying as such Administrator be discharged, and release from further liability.

# Final Settlement of Herman Brown Adm. for the estate of W.S. Brown

In Re:

Herman Brown, Administrator of the Estate of W.S. Brown, Deceased, of Monroe County, Missouri, Comes Herman Brown, Administrator as aforesaid and begs leave to file this as his final report and settlement in the above matter, to-wit:

Upon qualifying as Administrator of the above estate, I proceeded with my duties and in an effort to settle the same and determine and pay the just and due obligations thereof; And from my investigation, I found that the estate was insolvent and that there were insufficient funds with which to settle the obligations due by the estate.

After finding that there were insufficient funds with which to settle the just debts of the estate, I proceeded to institute an action in Chancery Court to sell real property to create a fund with which to pay these obligations and the said property was duly sold under order and decree of said Court, and the funds created thereby were fully (discharged) disbursed and paid over to those lawfully entitled thereto.

And I have obtained from each of the lawful heirs of the estate, a full and complete receipt showing that I have made full settlement with each of them. These receipts are filed herewith as exhibit to this report.

The heirs entitled to share in the estate are: Ella Bell McNoor, who is now deceased, but who died subsequently to the said W.S. Brown and whose receipt is exhibited.

James Brown, a son whose portion of the funds in the case were paid to his wife by order of the Circuit Court, and a receipt therefore is filed.

Garage Brown, a son whose receipt is filed.

Betha Bashaw, a daughter, whose receipt is filed.

Jessie Mackland, a daughter, whose receipt is filed.

Pearl Brown, a daughter, died subsequently to the deceased W.S. Brown, but she left no children or issue of her body and her share descended to her brothers and sisters.

The undersigned Herman Brown, a son, also entitled to share in the estate, and acknowledges full settlement of this portion of the fund.

I therefore request that I be discharged,  
and my bondsmen relieved from further  
liability.

To Hon. W. Buchanan, Chairman of the  
County Court of Union County, Tennessee.  
In Re: J. Crosswhite Estate.

Arthur Crosswhite respectfully submits  
to the Court that, as Administrator of the  
above named estate, he has reduced his possession  
all personal assets of the estate, and has paid  
all claims presented, and found to be owing by  
said estate. That so far as he is informed  
there are no other claims existing anywhere  
against said estate. Nor is there any money  
or claims of any kind owing to the estate.

In view of this situation, he knows of no  
reasons why he should not file his final account  
and be discharged as such administrator.

He represents that he, the sole heir  
at law of the said J. Crosswhite and

as such he is entitled to the residue of the  
estate. He herewith submits his account  
in full and respectfully asks that the same  
be audited and approved; and he further  
asks that he may have an order allowing  
him to retain the balance of the money  
in hand, derived from said estate, and that  
he, and his Sureties, on his Administrators  
bond, United States Fidelity & Guaranty Co.,  
may be discharged.

Harmon Hensley & Elzer Hensley Admin

State of Tennessee County Court Clerk's Office Oct. 10  
Union County 1941

First and final settlement of Elzer Hensley and  
Harmon Hensley, Co-administrators of the estate of  
George W. Hensley, deceased.

To the Honorable W. Buchanan, Chairman of the County Court:  
The undersigned would most respectfully represent and show unto the Honorable Court that pursuant to appointment as Co-administrators of the estate of George W. Hensley, deceased, they proceeded to take charge of the assets of said estate to the end that they might administer the same as directed by the will of the deceased. The assets received by them were those set forth in the inventory filed by these Administrators on the date of their qualification under order of this Court.

Of the assets so received they sold and disposed of one animal being a Bull and received therefor the sum of \$55.00, and in addition thereto they received \$231, which was on hand at the time of the death of the said George W. Hensley. Of this amount so received they have disbursed the sum of \$14.00 the payments of the cost of the County Court in this matter. \$30.00, to cover their expenses in administering said estate including burial clothes \$15.00 to Dr. Hitt Ducker, Attorney, representing the estate in the disbursement, including the drafting of papers and reports, etc. \$1.00 was paid to Willard Kiddle in obedience to the will of the deceased leaving a balance of nothing. Now on hand these Administrators have made careful investigation of the estate, and do not find any debts outstanding and unpaid, neither do they find any other assets of any nature. The personal assets of the deceased has been divided among the heirs at law of the deceased after the widow's interest therein was set apart to her under order of this Court previously made.

We file herewith as Exhibit "A" to this report a division of said personal assets, along with an agreement among the heirs with reference to their liability in the event of the filing of any claims against the estate. There is nothing further to be administered upon by these Administrators and they respectfully ask that this report be treated as their final accounting, and that in due time they be discharged as such Administrators, and their

Elezer Hensley

Subscribed and sworn to before me this,  
the 10th day of February 1941,  
J. H. Chaudler, Jrs.

Know All men by these Presents, that whereas, Elezer Hensley and Harmon Hensley were duly appointed, qualified and constituted as Administrators with the will annexed of the estate of the deceased E. W. Hensley, who died at his home in Unicoi County, Tennessee, on the 30th day of January 1941; and that the said Elezer Hensley and Harmon Hensley are now acting as such Co-Administrators with will annexed, of the said estate, and have made a careful and complete inventory of the estate of the said deceased, which inventory was duly filed in the office of the County Court Clerk of Unicoi County, and from the personal assets of the said deceased, certain personal property in addition to that set apart by the will was allowed unto the widow, to supplement her allowance under the will.

Subsequently to the setting apart of the widow's allowance under the will the said Administrators have sold and disposed of one animal for which they received \$55.00, and it is believed that this fund will be sufficient to cover the expenses of the Administration; And,

Whereas, it appears from the investigation that there are no debts or obligations outstanding against the said estate except a liability of a bond bond which was signed by the said deceased for the appearance of one Edward Ray who has been arrested upon a federal charge requiring him to appear for trial at the next Term of the Federal Court at Greeneville, Tennessee; but because of the fact that in the event there should be a creditor or creditors having a claim or claims against the said estate, such creditors should have some twenty-four months within which to file and prove their respective claims and it would appear that there is no good reason why the personal assets should not be divided among the respective heirs with the agreement

on the part of the respective heirs that in the event there should be a claim against the estate each of the respective heirs should in no wise be released of his or her liability therefor, and all agree that the said Administrators shall be protected and saved harmless from any loss or injury by reason of having made distribution of the estate prior to the expiration of the time allowed by law for the settlement of estates and payment and proving of claims. It being further agreed that in the event any claim or claims shall be filed and paid or litigated, we the undersigned each agree that we shall be bound and obligated for our respective part of the said claim including any expense incident to the litigation thereof, should there be such; and it is agreed and understood that the real property devised by the will of the deceased shall in no wise be released or released of liability of being subjected to any lien which might legally be established against the said estate.

Wherefore in consideration of the premises and agreement so made, we the heirs at law of the said deceased E. W. Hensley have mutually divided the personal estate, each taking what has been agreed upon as his or her equitable share thereof and the signing of this instrument shall be and stand as a receipt to the Administrators for a receipt covering the full interest of such heir to the personal estate of the said deceased.

It is understood that one lot was set apart to certain of the minor heirs, and we the undersigned bind ourselves to protect and save harmless the said Administrators from any loss or injury or obligation for having so divided the said personal estate; And to this end we waive all exceptions of every nature which we might have in or to our real estate so inherited from our said father.

The division of the said personal estate is as follows, and we each agree that the said division is equitable. The following has been agreed upon as the full share of each in and to the said personal estate;

John W. Allen - Executor

In The County Court of Union  
County, Tennessee

In Re: John Allen Executor  
under the will of J. E.  
Allen deceased.

On the above matter comes  
the undersigned John Allen, as  
Executor of the will of the late  
J. E. Allen and most respectfully  
report as follows:

Immediately upon qualifying  
under the will as executor, I  
proceeded to take charge of the  
estate, and give due and legal  
notice to the creditors and persons  
owing the estate.

I made a careful inventory  
of the estate, and found and took  
charge of the following personal  
property which was all of the  
property belonging to the estate  
for which existed for administration.  
The said property so found was  
as follows:

In the Erwin National Bank  
of Erwin, Tennessee, on time deposit  
the sum of ----- \$2000.00

Two shares of Capital stock  
of the Erwin National Bank of  
Erwin, Tennessee. This stock  
is estimated to be worth about  
par making the estimated value ----- \$200.00

I found on hand at the home  
at the time of the death of the  
said decedent the sum of \$230.00

one real estate secured note  
made by Gunney Allen and pay-  
able in monthly installments  
of \$10.00, which installments  
began in August, 1940 and are  
payable monthly without inter-  
est and are valued at \$390.00

I collected from E. W.  
Buckner the sum of \$27.00  
which was a debt evidenced  
by note ----- \$27.00

I collected from Mrs.  
Carde Johnson a balance which  
was due on a note ----- \$35.00

Total coming into my hands \$2882.00

The above constituted all  
of the property belonging to the  
estate. The household goods which  
had in possession at the time  
of his death had been disposed  
of long before death.

From the above funds  
I have made the following  
disbursements:

To the County Court Clerk  
for qualifying papers \$2.50

Funeral expenses including  
monument erected at the grave -----  
Doctor bill  
Total debts paid or to be paid  
\$525.25

I have paid all and every  
claim of every nature known of,  
and have made careful investi-  
gation and do not find any  
evidence which might indicate  
that there might be any

250

490.75

other debts not known of.  
In fact I had my father  
in my home at the time  
of his death and knew much  
about his business and have  
no doubt but that I have  
settled all of his debts  
in full.

I have on hands the  
sum of \$256.75 which I desire  
to receipt for and accept under  
the terms of the will of the  
said deceased; and accordingly  
desire that this be treated as  
my final report, and that I be  
released from further reports  
in connection with the said estate.

Respectfully submitted, this

Subscribed before me, this the 3 day of Feb. 1942  
J. H. Chandler Clerk

To The Hon. Dr. Buchanan, Chairman of the County Court in and for Spicoi County, Tennessee.  
In the matter of:  
James A. Abel and N. M. Ruffin, the Executors and Executor of the estate of W. M. Abel, deceased.  
Your petitioners would respectfully request, and show to the Court the following facts:

I  
That the late Wm. Abel of Brown, Spicoi County, Tennessee, died in Brown, Spicoi County, Tennessee, on the 8th day of May, 1941, leaving his last Will and Testament, and in the same he named your petitioners as Executors and Executor of his said last Will and Testament, and that each of them should be permitted to be so and act without questioning bond. Said Will was executed by the said Wm. Abel, on the 30th day of November, 1937 and was duly filed by the Executor, and executor, in Spicoi County Court for probate, and the same was so probated on the 14 day of May, 1941.

II  
Since your petitioners taken over the Executor and Executor, of the estate of the said Wm. Abel, deceased, we discovered all the assets and liabilities of the deceased to be in the sum of \$ 5,786.38. And your petitioners have collected debts of small nature, and added much hard work in the operation and carrying on of business affairs belonging to the deceased, and his wife, Jamesia Abel. Also is the Executor in this Cause, and have paid on said indebtedness the sum of \$ 5,1048.72, leaving only a balance of unpaid indebtedness to the amount of \$ 736.66 which is the payment of a loan on a house and lot in the Town of Brown, Tennessee, and is secured by a deed of trust on said house and lot, but passed to the Executor, Jamesia Abel, upon the death of the testate, as the same was being held as tenants by the entirety.

III  
Now, therefore your petitioners, Jamesia Abel and N. M. Ruffin, come into this Court by petition and state that all of the terms and condition as requested in said Will

has been done and carried out by your petitioners as to all debts, burial, and all obligations of whatsoever nature to the best of our knowledge. Said receipts of settlement will be filed on the hearing of this Cause if requested by the Court.

And now that said indebtedness has been fully paid and all requests in said will being consolidated and fulfilled, your petitioners, Jamelia Abel and H. M. Koffik, the Executors of said will, asks a decree from this Court that said estate has been settled by said Executors as Executors and that said terms of will according to the same has been fulfilled as required by law, and the same so stand settled in full.

And that the said Jamelia Abel, Executrix and H. M. Koffik, the Executor, be released by the Court as such, and that they shall not hereafter be required to act as Executors and/or Executor of said will herein appointed and have so faithfully served and carried out all the requests and duties so mentioned in said will as required by law.

This February 24th, 1942

Jamelia Abel  
H. M. Koffik  
Executrix and Executor of the will

State of Tennessee,  
County of Union,

Personally appeared before me, J. M. Gange, a Notary Public in and for the State of Tennessee, and J. M. Gange, Jamelia Abel, Executrix, and H. M. Koffik, Executor, of the estate of W. M. Abel, deceased, and make oath that the statements made in the foregoing petition and report made by them are true and correct to the best of their knowledge and belief.

# Mrs. Guy Hale, Administratrix

To the Honorable, W. Buchanan, Chairman  
of the County Court for Union County, Tennessee,  
And to the Honorable J. Boyd Chandler, Clerk of Court,  
In R. E. Estate of Guy Hale, Deceased.

Initial and final report of Mrs.  
Guy Hale, Administratrix.

The undersigned Mrs. Guy Hale, who was heretofore  
appointed Administratrix of the estate named above  
would most respectfully report and show unto the  
Honorable Court: That pursuant to her  
appointment she immediately entered upon her duties  
and took charge of the estate, making due publication  
to the Creditors, and collecting debts due estate.

After careful examination and investigation  
she found that the personal estate consists only  
of the money which was due to the deceased for  
personal services rendered, the amount thereof  
being One Hundred Fifty Six Dollars + <sup>75</sup>/<sub>100</sub>  
(\$156.00) owed by the Clinchfield Railway Company  
of Brown, Tennessee. This amount was paid  
to her, and disposed of by her as hereinafter set forth.  
There were no other personal assets, the  
household goods were owned jointly by the parties  
and are not a part of the estate.

I have made careful investigation as to the  
liabilities of the estate and found debts outstanding  
largely in excess of the personal assets, the  
funeral bill amounted to Three Hundred and  
two Dollars and seventy-five cents (\$305.75)  
to Boyd De Desmond, Inc. of Brown, Tennessee.  
I paid this bill in full, using the full amount  
of funds coming into my hands as Administratrix  
and supplementing same with my own personal  
funds. In addition to the above expenditures,  
I have paid all other outstanding debts, of the  
estate, I am convinced that there are no debts  
unpaid these debts amounted to some (\$1200.00)  
Twelve Hundred Dollars over and above the  
assets belonging to the estate, and were  
all paid by me from my personal funds.  
I submit herewith cancelled checks drawn upon  
the Brown National Bank by me in payment of  
the funeral bill, I have cancelled checks showing  
the payment of all other debts, but do not submit  
same due to the fact that I paid them from  
personal funds and do not desire to file a claim

against the estate thereof, because of  
the fact that the property belongs to my  
son, subject to my life estate.  
Respectfully Submitted this 5th day of  
Oct. 1942

In Re: Estate of the late W. P. Daniel -  
Mrs. Beatrice Daniel Baxter, Executrix.

In the above matter comes your Executrix and submits her final report, as follows:

Of the assets listed in the original report and inventory the Mrs. Maggie F. Davis Note in the amount of \$71.00 is found to be of no value. The past due rent against A. L. Beyer is also considered of no value. This diminishes the value of the estate to \$2649.03 which has been disbursed as follows:

|                                         |                  |
|-----------------------------------------|------------------|
| County Court Cost                       | \$7.25           |
| Attorney fee, De Witt Parker            | 50.00            |
| Natal Bryon board and room for deceased | 13.50            |
| Brown Community Hospital                | 7.15             |
| Insurance, Brown Insurance Co.          | 14.96            |
| Boyd-DeLeonard Inc, Funeral Service     | 669.00           |
| Expense Memorials, Monument             | 295.00           |
| W. M. Hughes, Recording deed and tax    | 6.45             |
| Mrs. J. E. Mandy, Church Circle         | 12.50            |
| <b>Total</b>                            | <b>\$1077.73</b> |

Deducting this fund so disbursed from the said fund received there remained the sum of \$1571.22, for distribution among the heirs at law and beneficiaries under the will.

At or about the time of the making of the initial report, it appeared that there was certainly a fund for distribution which would net to either each heir the sum of \$248.75 and at that time disbursement of that amount was made, and deducting this sum, to-wit: \$995.00 from the said sum of \$1571.22, there remained the sum of \$576.22.

Subsequently to the above date, I made collection of the E. E. Board note in the sum of \$250.00 and this fund was disbursed and divided equally among those entitled thereto under the will, deducting this fund from the said sum of \$576.22 there remained the sum of \$326.22.

I have disbursed the said balance as follows:

|                  |                 |                   |

J.P. Baudler,  
County Court Clerk

To the Honorable Fred D. Bath, Chairman of  
the County Court for Vincennes, County

In the matter of: Estate of O.R. Miller, deceased  
Administrators report.

The undersigned beg leave to report as follows:  
That pursuant to the order appointing them as  
Administrators with will annexed, they proceeded  
to take charge of the personal estate of the deceased, which  
consisted of household goods and personal effects, and certain  
other property, as shown by the inventory filed.

Our investigation, it appeared that it would be to  
the interest of the estate to sell the said personalty at  
public auction, on the premises, and for that reason, said  
Administrators went upon the premises and carefully inven-  
toried the property and appraised the same.

Then advertise it generally over this County and  
adjoining Counties, and on the 12th day of May  
1943, we sold the said property on the premises for  
the gross sum of \$584.35.

That our expenses incident to the sale as follows:

These were certain other small items of expense  
which were itemized heretofore and filed with  
the Clerk of the Court for payment

When it appeared that the personal assets were  
insufficient to cover the debts, the real property was  
advised for sale by an agreed order of the Honorable  
Court, and in this connection in the interest of the heirs  
we advertised the sale in the Johnson City paper, and  
also by posters and the bill for such amounted to

As will be noted from the above this Administratrix  
has disbursed more funds than she received, but this  
was done by supplementing the funds of the estate from  
her personal funds. She did this to the end that all the

Mrs. Esther Hymer, Adminr.

debt of her deceased husband might be paid.

Petitioner says that she knows of no further assets to be Administered upon, and that she has paid all bills which have been presented against the estate, and knows of no further bills to be paid.

3. Petitioner refers to the fact that no years support was ever set apart to her, and that she is advised that she has the right to apply for and receive such aid prior to the debts of the estate, for she is willing for the matter to stand as it is and she now desires to close the estate and seek a discharge for herself as such, and begs for a release of her bondsman.
