It will be seen, that the amount of each Distributor's Share, is \$ 1472.17c cents, which will stand amongst the heirs of William Chisum as follows, there being seven of them; since the Executors having paid and advanced money for the joint benefit of said

heirs, to the amount of \$ 84.71 cents, would leave their share amounting to the sum of \$ 1557.26
Each share amounting to the sum of \$ 198.20

There is due to the heirs of William Chisum as follows, To wit:

The amount of the share of Nimrod Dodson Principal and Interest being \$ 1541.80c cents, and the said Executors having paid to him the sum of \$ 1619. - therefore they have paid to him an excess, over and above his share, to the amount of the sum of \$ 77.20 cents, which said last mentioned sum should be by him refunded to said Executor.

It being represented to the Commissioners, that there remained in the hands of Elijah Chisum Sen. the Testator, the sum of \$ 77.20 cents due to William H. Chisum, son of Elijah Chisum Sen. Dec. unaccounted for, and for which said Executors are bound to account. - The Commissioners, therefore direct that that sum with interest from the time it fell due, until paid, be paid by said Executors, out of the land last sold by them, and herein before referred to, when the money for the same be collected. - Also, one dollar for one day to Turner Lane, one Commissioner.

The Commissioners, therefore, having fully examined all the papers, records and documents relating to the Estate of the said Elijah Chisum Sen.
