I have allowed the Executory for his services and for Schooling the children two hundred which I think reasonable.

There will of the deceased set apart the interest on the \$1000, for Schooling the children and the Executory having no

vouchers for Schooling and keeping the Schooling would not amount to the interest I have thought it best to charge her with the interest and make her the above allowance. She has filed in this Settlement in addition to the above Receipts of all the Newspapers.

We properly added to each of them by the deceased and she has paid all of the heirs \$200 in cash as they came of age & except Mr. Byers who he only received \$150. She is therefore indebted to \$50. ~~with~~ the interest there on from 20th June 1850 the day the youngest his came of age and then an equal share in the Balance she has also filed Boston receipt for the Agent By Maria Whitcomb. All of which is Respectfully submitted to the honorable court for Confirmation.
