Stewart Warren's Will.

In the name of God Amen. I Stewart Warren, knowing that it is appointed for all men to die, and being feeble in body, but of sound mind and disposing memory, do make and publish this my last will and Testament. First I commend my soul to God who gave gave it, and in hope of the resurrection, assign by body, to its kindred dust.

I 24. I direct, that, all my first debts be paid, as soon after my death as possible out of any money which may first come into the hands of execution, to raise the funds necessary to pay my debts, I authorize my executor, to sell any of my personal or perishable property, except the Negroes, at public or private sale, as may seem best, for the interest of my son - in law, Jasper W. Kemp. Who I desire to have what remains of my personal property, except the Negroes after the payment of my debts.

25th. During my Mother's life time, she gave me five hundred dollars, to keep with out interest, from her conduct, in relation to this fund, I am sure she intended it to be paid, to my Sister Susan Warren. I therefore direct, my executor to pay this amount, to her, out of any of my personal estate, except my Negroes, provided my brother and sisters, abiniquish to said Susan Warren, any claim they may have to said fund. If any fail to abiniquish, then the proportion of those who fail must be paid to him, her, or they, and no remainder to my said sister Susan. But I am inspired, my mother intended this fund for her, and I feel much solicitude that it should be so applied.

26th. I bequeath the tract of land of One hundred and fifty acres, which I lately bought of my brother John Warren, and on which Jasper W. Kemp now lives, to my unfortunate brother Bluford Warren, to hold to the same during his Natural life only, and at his death, to be equally divided between his children. If any of his children should die in the lifetime of my brother Bluford, leaving a child or children, then such child or children, shall stand in the place of the parent, and take the parent's share, such as the parent would take if living. My Will is that said land, shall not be subject to the contracts or contracts debts of the said Bluford, my intention being to create a trust fund, for the joint benefit of my said brother, and his present or any future children for their

Medicine, and education, and other debts to equally divide in proportion.

27th. I bequeath my tract of land of two hundred and three acres, bought of William White, and my various tracts, purchased of Samuel Jones amounting to five hundred and sixteen acres, the proceeds from White and Jones, amounting in all to seven hundred and fifteen acres, all constituting my home place, to my beloved Natural daughter, Lucie Kemp, wife of Jasper W. Kemp. I also bequeath, to her, my Negroes, Henry, Jane, Charlotte, Mariak, Mary, John, Signe and Milly. The land and Negroes, herein bequeathed to my said daughter, Julia Kemp, are bequeathed to her for her sole and separate use, free from the control, of her present, or any future husband, and to be free and exempt from his or their contracts and debts of any kind. It is my intention in her or separate estate, and that she have no power to convey the land or Negroes, or any part thereof, to her present, or any future husband, or to any other person, either by contract, or by application to a Court of Chancery, or otherwise. I desire that the Negroes and land be kept as a trust fund, for the support and maintenance of my said daughter, and her present child, and any others she may have, and for that purpose, she shall have the rents and profits of the land, and the moneys, hire and services of the Negroes, to her sole and separate use, and free from the control of any husband she may or may have.

But this bequest of land and Negroes, to my said daughter, is made for her life only, for it is my Will, that at her death, all of said land and Negroes, and the profits and moneys of the same herein conveyed to her, shall be equally divided between her children, in Contingent succession to heirs. If any of her children should die in her lifetime, leaving a child or children, then such child or children shall stand in the place child or children of the parent, and take such parts, and take such part as the parent would have taken, if living. If my said daughter Julia should die with out children living at death, then the aforesaid land and Negroes, shall go to my heirs at law.

And for the purpose of carrying into effect the foregoing of a separate estate to my said daughter, Julia Kemp, I appoint my Trusty friend Charles Miller, her Trusty, with the earnest request, that he will see it carried out to the letter, and I clothe him with full power to control it for that purpose only.

I bequeath my Mountain land to Joseph R. Kemp,
and appoint him executor of this my last will and
testament. Witness my hand and seal this 24th day
of June 1857.

The administratrix, Mrs. Pass reports that there is one unsettled account against her Co-administrator for about two hundred dollars, because purchase money for the land sold by her testator, to said Willhite, which is not accounted for in this settlement, but she will endeavor to collect the same and account for it.

I have accounted Mrs. Pass for her services one hundred dollars, which I think reasonable. She says the agreement with the Co-administrator was, he may charge nothing for his services. All of which is respectfully submitted to the Worshipful court for confirmation.
