William Jareds Will

I William Jareds hereby make and publish this my last Will and Testament, hereby revoking and making void all other wills by me at any time made. First I direct that after my funeral expenses, all my just debts be paid, as soon after my death as possible out of any money that I may be possessed of or that may first come into the hands of my Executors. My principal debt and a note in the Branch Bank of Tennessee at Spring for three hundred and eighty two dollars, endorsed by Joseph H. and John Jared, and falls due about the 19th July 1861. This note I wish renewed by paying ten per cent call at maturity, or when it falls due, and as soon as the distribution share of my wife, in her fourths & moieties estate is received by my Executors I wish this Note paid out. I also execute a note to J. B. Beckitt for four hundred dollars due on the 1st day of January 1861. This note has a credit of ten dollars on it. This Note I wish paid as soon as the money on a note of three hundred dollars with a credit on it of seventy dollars on the William Webb and thus is paid to my Executors. I also made a note to J. B. Beckitt for one hundred dollars and 1st day January 1862, bearing interest from 1st January 1861 this note I wish paid before it falls due. These last two notes

I wish paid as above, provided a negro woman named Phoebe, for which they were given does not prove to be sickly or unwieldy in some way. In that event I wish my Executors to take the necessary legal steps to recover damages for the importation. I am owing J. B. Spring \$100 dollars due 1st March 1861. I have an account in Baltimore Store for some fifteen or twenty dollars, an account at Wells Store for a small amount. Also Wm. Clark for some sawing, after deducting two dollars he is owing me. Besides these, I do not remember any just debts that I owe, should there be, I want them paid, all of which I have notes and accounts sufficient to pay.

Secondly. After paying my debts, I will sell my property of every description consisting of lands, negroes, farms, stocks and all other singular of which I may possess, when I die, to the use of my wife Martha during her natural life, or widowhood, to support her to raise and school my children, with the following conditions, or in the following manner, I wish Robert to go to school two whole years, and study the English and natural sciences, with Algebra, Geometry and plain trigonometry necessary to understanding the art of Scientific Surveying. Then I wish him to stay at home and let John go to school the same length of time, and study the same Science. Then for him to come home and let Thomas go as a cabin boy and sea on. I desire that each of my sons receive the same amount of schooling. I wish Sarah to have schooling equal to the amount for each boy, or have her amount of pocket she feels to get in schooling allowed to her in the form of a balance. Also the same with Eliza and Mary as near as possible.

Thirdly. I wish my Executors as soon as may be thought for the best to sell either privately or otherwise, in the manner they may think best for my wife and children all such stock and tools as may not be needful in supporting my family schooling my children. I also wish them to purchase my Negro boy Charles for two negro girls, between the age of six and ten years, also my Negro woman Phoebe for a young negro girl, or if they can effect the same by selling and buying, I wish it done; as to the time of doing this I leave to the discretion of my Executors, they at the same time consulting with my wife Martha. I also wish them to sell my land on the Cumberland Mountain, so far as possible and to the best advantage.

Fourthly. Should my wife Martha marry before my youngest child comes of age then I wish my Executors to sell all my personal and real estate and on a credit of twelve months and distribute the proceeds equally among my wife and children, they my Executors acting as Guardians to my minor

children according to law and paying over to them their contributive share as they become of age.

Fifthly. Should my wife Martha die before my youngest child comes of age, then I wish my Executors to provide a provision for her surviving.

Sixthly. Should my wife live and remain a widow till my youngest child comes of age, and should my children desire a distribution of my estate, then I wish my Executors to set apart one third of all my lands, tenements, the house and premises for the support of my wife, and to give her one servant to wait on her, and to give her such other property as may be needful for her support and support, to have for the above object during her natural life. And to sell the balance on a credit of twelve months, and pay over the proceeds to my children according to their respective claims. And at the death of my wife I wish the land and property set apart for her support sold and distributed.

Seventhly. I do hereby appoint and nominate my worthy friends Richard Maulden and John W. Jett my Executors in and of Whomsoever I die, to this my Will and my hand and seal this 29th day of January 1861.

William Jared Jarrell

Signed, sealed and published in our presence and we have subscribed our names hereto in the presence of the Testors this 29th day of January 1861.

Richard Maulden
R. S. Swainale

Codified

I William Jared Jarrell having heretofore published my last will and testament, do make and declare this as a Codicil thereto (Test.) In my former Will I willed that (after paying my just debts) all my property to the use of my wife Martha, I wish to explain that section of my Will as not meaning that she may sell the land or Negroes, nor to meet them in her so that they can be sold for any debt that she or any person may owe, but only to have the use and benefit of them for the purpose of supporting and paying her.

Secondly. I willed that my Executors make such disposition of the undivided interest I have to land and property in the State of Texas, as in their judgment would be best for supporting my family, and schooling my children.

Thirdly. I hereby nominate and appoint my wife Martha and my son Robert P. Jarrell joint executors with Richard Maulden and John W. Jett.

Dudley Hunters Will

In the name of God Amen, I Dudley Hunter of the County of White and State of Tennessee being in good health and of sound and disposing mind and memory and being desirous to dispose of my property both real and personal to my satisfaction do make and ordain this my last Will and Testament in manner and form following. In this In the first place I desire my executors shall pay my funeral expenses and all my just debts which I may be owing at my death out of my Estate. Memorandum I have heretofore given to my children Sally Hunter wife of Preston Hunter, Joseph Hunter and Elizabeth Lowrey wife of James B Lowrey property and money to the value of Twenty five hundred dollars besides other personal property to the value of One hundred dollars each. It is now my design and wish to provide for my beloved wife Amy Hunter and all the children which she has or may have by me she shall have property and money out of my estate share and share alike by Amy to have a child's part until she and her children shall each be made equal in amount with each of my three children above named which I have appointed off. If there proves to be a deficiency of estate when divided then my wife Amy and her children by me must divide the amount equally between herself and her children by me share and share alike as far as it will go should there be a surplus my estate after the division to my wife Amy and her children by me and to be divided the balance whatever it may be shall be sold to the highest bidder and proceeds put at interest and my desire is that my wife Amy and children by me shall receive a good English Education out of the above funds I wish it economically spent. And whatever the remainder may be shall be equally divided between my wife Amy and all my children by me and my other children. Sally Hunter Joseph Hunter and Elizabeth Lowrey or their legal representatives share and share alike the tract of land whereon I now live which I value at Twenty Three hundred dollars I bequeath to my wife Amy and her children by me and is to be taken by her at that price as so much of her and her children's portion which land it is my design shall descend to the oldest part of my children by her when it is thought expedient to make a division the or they shall have the privilege of selling the land
