The administrator states that he has not entirely wound up the estate since the settlement where there is still in his hands \$76.43½ with interest from the 4th March 1862. The amount of indebtedness seems to be considerably over the amount of good debts reported by the administrator. I have allowed the administrator \$30.00 for his services and he asks further time to completely wind up the estate. I think the allowance I have made him reasonable. All of which is respectfully submitted for approval.

I report of William Dodson, Guardian of Sarah, Zachariah, & James, H. Elizabeth, and William Charles Minor heirs of Nathan Charles Deceased, as to amount of property coming to his hands, belonging to said wards to wit: 158 Acres of land, about 60 Acres of cleared land, and about 95 Acres too poor to cultivate, and a portion of the rest very thin. All of which is respectfully submitted this the 3rd day of January 1866 William Dodson.

The last will and testament of David Snodgrass
In the name of God Amen

I David Snodgrass son of County of White Tennessee knowing the uncertainty of life and the certainty of Death and wishing to make a disposition of my worldly affairs being of sound mind and disposing memory do make and publish this my last will and testament thereby revoking and making void all former wills heretofore made by me at any time first my will is that my Executors hereafter appointed pay off all my just debts and my funeral expenses out of the first money that comes to their hands from the sale of my personal property, which they are to sell at private or public sale as they may think best. Truly I wish my Executors to keep my slaves and such other stock and farming utensils on my farm, or if they think best to buy out my slaves and have them taken care of until such time as they may think to sell the slaves for division as I shall hereafter direct.
