The Administrator states that there is some claims  
 yet due the Estate and cannot make a final settlement  
 now there are no vouchers filed for these two  
 judgments which I have given the adm's credit for  
 but the adm's is personally liable for the same as  
 there is judgments against him I have allowed the  
 adm's for his services the sum of three hundred  
 dollars which I think Reasonable taking in to  
 consideration the amount of debts he has settled  
 in the Estate out of his own funds and lying  
 out of the use of his money so long together with  
 the trouble of attending to lawsuits for the estate
