J. D. Goff, Clerk

Last Will and Testament of Mrs. C. B. Smith deceased

I C. B. Smith do make this my last will and testament hereby revoking any other which may have been made by me at any time. My will is that my son Hugh Gross shall have all my real estate upon the condition that he will take care of the two other of my children viz: Thomas M. B. Gross and Eliza Anne and furnish them an ample & comfortable support and home during their natural lives (that is the lives of the said Eliza & Eliza) & provided on the part of the said Eliza that her mind becomes so such a condition that it is impracticable for her to live with her husband Joseph Barnes & provided further that if she should live with her said husband then the said Hugh Gross shall pay to her during her life one third part of the rents of said real estate of which is the same one sixth part of the entire products of of said real estate or the value thereof. My will further is that if my son Hugh Gross shall die before the said Thomas & Eliza my son David Holdings should be having then said real estate shall go to him (the said Holdings) in the same manner and upon the same condition that I have in the first part of this will given it to the aforesaid Hugh Gross & shall be the case if Hugh dies before either of them (Thomas or Eliza). Said land not to be only until the death of the said Thomas, Eliza Hugh & David Holdings & then to be sold and the proceeds divided between the children of the said Hugh Gross W. & Thomas or such children as then may have at the death of the last and of grand children representing such children.

My reason for thus disposing of my property is as follows viz: My daughter Eliza is greatly afflicted both in body & mind & sometimes it is impracticable for her to live with her husband & he supported by him as he is poor and is bound to be closely confined to his business to make a support ^{fully}; My son Thomas has always lived with me & been obedient & kind to me especially in my old days & seems to have no capacity to keep & take care of anything he has and needs some one to have his property for him. ^{3rd}; My real estate is equally divided amongst all my children would be so much in value as to do none of them much benefit & I have given the remainder to every a portion of my grand children on account of the benefits

Last Will and Testament of C. B. Smith deceased Continued.

which their parents have & are to render to me & to Thos. Eliza - the kindness of my husband towards me for the last two years has not been sufficient to demand anything at my hands in my opinion. My affections for my children & grand children to whom I have given nothing is as great as towards those to whom I have given my little estate but the condition of some of them forces me to this course & I have given to others for their necessary services in bringing out my will. My husband will get all the benefit of my farm or money & for several years has done so & during my life will continue to do so & enough to be satisfied. If Hugh & David W. my sons should die before Eliza & Thomas or either of them then my will is that my nearest relations & children shall act as my Executors to carry out my will towards Eliza, Thomas & my personally all to go J. M. B. Gross my son.

Whereas I C. B. Smith on the 2nd day of May 1879 made and published my last will and testament, which is attached to this paper, which paper is intended by me as a bequest to the said will aforesaid being moving as Exhibit (A) to the Court as a part thereof.

Said first ~~moving~~ will is that as Eliza Anne has died (which was one of the legacies under said will) & ^{fully} as my son J. M. B. Gross is not possessed of a mind which affords him to take care of himself & his property & take his own part & ^{fully} for the further reason that the said J. M. B. Gross has in the meeting of the said will aforesaid of the 2nd of May 1879 stated some little with my other children whose kindness to him was not such and desired or expected taking into consideration the domestic condition and situation of the said J. M. B. Gross & also of myself which situations and conditions the rules of propriety forbid that I should here repeat. But owing to these reasons above mentioned I now hereby in this Court give and bequeath unto my said son J. M. B. Gross all the real estate or land of

which I may die seized or possessed or be the owner at my death being the farm on which I now live & the lands appertaining thereto But if the real estate is given to Mrs. Gross as the following Condition viz: The said land is not to be sold during the life of the said J. M. B. Gross without the Consent & approbation of a Justice appointed for that purpose & then the proceeds of the sale to be immediately paid in either cash & Mow suitable real estate for him.

Upon the further Condition that said farm or real estate shall not be liable to any debt contracted by the said J. M. B. Gross or the family of him provided he should ever have a family or other liability of his or theirs.

It is also further provided that if the said J. M. B. Gross shall have issue of his body at his death then said real estate shall go at the death of said J. M. B. Gross to such issue or children of the said J. M. B. Gross & also to the children also of A. W. Kings & Hugh Gross that is one third of said proceeds to each of the three sets of children. Provided also the said A. W. Kings & Hugh Gross are the fathers of legitimate children at the time of the death of the said J. M. B. Gross but in the event of these three have shall not have children at the death of the said J. M. B. Gross then & in that event the children of the other two shall take & in case two of them are children at that time then the children & heirs apparent of the other one shall take the proceeds of said real estate.

It is further expressly provided in the said J. M. B. Gross shall have the power at any & all times to select his own Justice who is to act for him & as to his interest & if he becomes disqualified with one the Chancery Clerk shall have power upon his Ex parte Petition or the Chancellor in vacation, to change Guardians for him, I never appoints J.
