Secondly in order to pay these debts my Will is that the Debt due me by Kinchey Pettway for the balance of land conveyed by me to the said Kinchey, be applied to this purpose and if the s^d Kinchey should refuse or neglect to pay for s^d land at the rate of twenty five dollars per acre, my desire is that the land to be reconveyed to me by the s^d Kinchey, together with substance of the tract of land on which I now live as lies East of the Mill Creek running through it (or as much of either or both as may be necessary) be sold by my Executors to pay my s^d Debt. Thirdly my further Will is that after my just debts be paid the remainder of my estate both real & personal remain with my Wife Susannah during her natural life or till her death, or untill my children come of age or marry, and as they come of age or marry I desire that they have two thirds of their equal proportion of my estate both real & personal to be given and apportioned to them by my Executors. If my s^d Wife Susannah should marry after my death, I then Will & desire that she should have only a child's part of my estate. After all my just debts shall be paid, my wife Kinchey Pettway shall at the rate of twenty five dollars per acre have paid for the land which I sold him assuming the form of a deed, or in case of failing to pay for the whole or any part thereof shall, Reconvey to me or my heirs so much
