Thomas E. Sumner Dec. 20th 1842

In the name of God Amen. I Thomas Edward Sumner a citizen at this time of the County of Williamson in the State of Tennessee being of sound mind and memory and knowing that it is appointed once for all men to die and the hour of my disposition unknown to me do make ordain and declare this to be my last will and Testament revoking all others heretofore by me made. My Child. I believe that the Almighty Ruler of the Universe never intended that one part of the human family should become subservient to the whim caprice or humors of another part believing also that liberty also is the inalienable birth right of all mankind and that we are all born with the same rights and privileges no matter what clime or country may have given us birth or what colour nature may have stamped us with having from my youth held in abhorrence every kind of slavery whether of body or mind the negro slave and believing that it is repugnant to the precepts of our blessed Saviour Jesus Christ and of our Republicanism with their impressions on my mind which now have been not now can be eradicated by time nor by the sophistical reasonings and arguments of men whether from the Pulpit the Bench the Bar or the Press and for more than twenty years back it has been my anxious and ardent desire to emancipate my slave or negroes in my lifetime that I might extend to them my instructions advice and fostering hand but the laws of the State in which I have lived have heretofore prevented me carrying into effect my conscience forbids me to sell to give or to will my slave or negroes to any person or persons whatever for the purpose of being held as the property or detained in slavery therefore it is my will and desire that all and every one of my slaves my negroes and their increase should be free and emancipated from slavery and so to remain to their last posterity yet not to offend against any existing law I have therefore in trust
