The Elliott family of the
Low Country of South Carolina

Compiled by James B. Heyward, Cartersville,
Ga.; Manuscript secured by Miss Catherine
Drayton Mayrant Simons, Charleston, S. C.;
Submitted for filming by Mrs. Warren
H. Sharpe, 1120 Georgia Ave., Macon, Ga.

Introduction.

This ancestry of the family of Elliott of S.C. has been compiled as a compliment to Mrs. Arthur B. Rose of Charleston, S.C., Esq. Emma E. Guerard of the Barnard Elliott branch of the family of William Elliott, 1st of Charleston S.C.

The earlier generations have been arranged as various scraps of records indicated but great care has been exercised in the confirmation of the said data by wills & Parish Registers.

Specimens have differed widely as to how the respective pioneers were related, some being positive that Tom 2nd of this record & Thos #3 were the only 2 sons of their stock -- (continue as proved by deeds M.D. 2.)

All agree that another branch of the name known as the Robert Elliott branch moved south from Maine reaching Carolina many years later than our pioneers, who it is supposed came by way of the Island of Bermuda from Cornwall England.

The Elliotts of Maine were said to do & brought considerable wealth with them. They came either to the wife of Rev. William Scriven (Scriven M.D. 2.) & when that clergyman was persecuted in Maine on account of the Abolition tenet on Infant Baptism they moved south with him & settled at Charleston S.C. These Elliotts called those they found in Carolina "Cousins".

The data upon which this book is predicated was

handed down in the line of William Elliot 1st of Charleston
+ the Carolina pioneers, four in number, are distinct-
ly recorded there in as being brothers viz William
John, Thomas + Joseph.

As will be seen under head of John Elliot # 66 of this
Record, the fact that John # 4 was a brother of
William + Thomas is clearly substantiated.

The status of Joseph # 5 is not confirmed but
as his line, so far as can be learned, has long been
extinct, the importance of the fact, is not so
important.

There is no evidence
whatever that Gray Elliott ever came to S.C. - His home
was England apparently, as he returned there to live after the Revolution.

About 1750 other Elliotts who it seems were
related to our pioneers passed through Carolina on
their way to Liberty Co. Ga + our John # 66, the grandson
of our pioneer John, seems to have joined them. One
of this later generation was called "de Gray" Elliott
(I've never seen this ^{the "de"} M.S.S.) + another was called
Tom. (this is Tom. of Beaufort S.C. I think M.S.S.)

Both received grants of land in Liberty Co. Ga. in 1752
+ Tom. is recorded as receiving arms during Rev.

His descendants, if he left such a desc
pertain to this Record + (de) Gray Elliott left none
in America. He came back to Eng. + died in London 1787.
The descendants of John appear in the same

prominent in Georgia and as they are of our
own stock they will be found recorded there in.

Preface

The system of indexing by Cordial Number as used
in this Record will be found very simple.

Each child of every family group is given a
number as the name (male or female) first appears
& said number accompanies that individual as
a parent.

Also each parental couple will be found the
Cordial Number indicating the ancestral lineage
of that group - so that the reader can trace any one
group back & forth regardless of the various sur-
names, by simply noting the lineage number.

Much effort has been expended on the lineage
of each individual who has married into "Ellis #
Island" - that no error should occur where such
a multitude of names exist, could be scarcely
expected but such errors will probably be
limited to the mistaking of a generation rather
than the blood descent being wrong.

June 15 - 1959.

As far as I know, there are only 2 copies of this compilation in existence, both in the same handwriting. These two copies are in the hands of the same person & were not made by the original compiler ^{by James B. Heywood}. I saw a letter written by him & his handwriting is entirely different from that of the copies. So I judge that there must be at least three copies in existence - his original & these two. Through his family, I tried to locate the original, but could not.

One copy is in the Southern Collection at the Library of the University of North Carolina. The copy I used was in the possession of Miss Catherine Drayton Magrunt Simons, Charleston, S.C. who loaned it to me from 8:30 P.M. Fri. till 9 A.M. Sunday, when I was in Charleston S.C. on March 1, 1959. She was most generous and kind. It was due to circumstances beyond our control that my time was so limited. I copied steadily for twelve hours, much too rapidly & hastily.

It took me tenetial hours of
steady copying, & most likely
have to set this record down
on paper. It will take several
more hours to complete the

tasks I have left to do later &

at that, my writing may be
almost illegible. I had to hurry so
to copy the homestead book M. S. 2.

One of the pioneer settlers & supposed by name to have been the father of the four young men brothers.

He was certainly a very prominent man when they were young men - being a member of the Canadian House of Assembly in 1692, serving on important committees with Col. Robert Gibbes, Hon. James Thorne, Hon. Ralph Ingham & Joseph Penhous - all of whom were among the earliest prominent men in the political field of the Province, government.

Who he married is not known - nor are there any known descendants, unless as above.

This marriage is well documented in S.C.

The fact that John Elliott (John) m. Elizabeth May

J.B.H. so far as I know has absolutely no substantiation
for saying that 67+68 died unmarried.

"Mar. 1 - 1959 And here time ran out
on me!"

3/24/59 → It was late Sat. night - my last night
in Charleston. I knew I could not finish this "book"
completely unless I stayed up all night. I
had already written steadily from the P.M.
& my arm could not hold out.

The data following is practically all in
the 1800's, and as Mr. LeCoute once wrote "I
worked little as late as 1800. I figure that
anyone who is interested can connect with this
late a date."

The remainder of the "book" is very incomplete,
I'm sorry! But I didn't have time to finish it.

The first part of the "book" is incomplete too, in
that Mr. Hey said gave many many lines of
descent of the families who had intermarried with
the Elletts - the most illustrious families of
S.C.; especially in the early pages of the "book".

I simply did not have time to copy these
genealogical lines.

I regretted not being able to!

When I started copying the "book", I
had hoped I could condense it + cut down
on the number of pages of copying. I found
out to my sorrow, as on yp. 8-12, that
this would not work. I didn't have
time to re-copy yp. 8-12, so they had to
stay "as was", but from yp. 12 on, the
pages in this copy are exactly as they
