Rev. War Pension application of John Holland. Alabama, Circuit Court, Sumter Co., of the Term of the second Monday of October 1833.

On the 14th day of October in the year one thousand eight hundred and thirty three, personally appeared in open Court before the Honorable Leon L. Perry, Judge of the Circuit Court of the said county of Sumter now in session, John Holland at present a resident of said county of Sumter and state aforesaid, aged sixty seven or thereabout, and who being first duly sworn according to the law doth on his oath make the following amended declaration in order to obtain the benefit of the Act of Congress passed 7th June 1832 and when he was a citizen of Marengo County, made a declaration on oath before the Hon. William J. Alston, Judge of the County Court of said county, in order to obtain the benefit of the provisions made by the Act of Congress of the 7th June 1832, but the declaration made has been

rejected by the proper department of the general government, and since the making of which this declarant has removed from the county of Marengo to the county of Sumter aforesaid, where he now resides. This declarant has heretofore stated is between sixty seven and sixty eight years of age. He enlisted in the army of the United States in the year 1778 with Captain John Bowie then of Abbeville District of the State of South Carolina and served in the ___ Regiment under the following named officers. He belonged to a company commanded by Captain John Bowie of which John Howard and Thomas Prince were Lieutenants and Samuel Earle, Ensign. This applicant is not distinct in his recollection as to the name of his Colonel of the Regiment to which he belonged, but thinks it was Col. Pickens or Col. Williams. He was under Genl. Williamson. Lieut. Prince was wounded in the service at the Battle of Stows?. Ensign Earle continued in the service until this applicant left it and when the applicant last heard from him, lived in Pendleton District in South Carolina. This applicant or declarant enlisted as well as he remembers in the year 1778 or thereabout, but as to the precise date he is not certain because he was very young at the time. he enlisted to serve for the duration of the war and was discharged as well as he remembers in the year 1780 in Abbeville District of South Carolina. he is confident he served something upward of two years and served in the capacity of a Drummer for the Company commanded by Captain Bowie. He was so young at the time, that he was enlisted for the purpose of acting as a Drummer to the Company and was enlisted when he was very young as aforesaid. he lived in Abbeville District as aforesaid when he enlisted and served as before stated. he received no written

discharge that he now remembers, but as he was young at the time he thinkkks it likely his father did for him, but of this he is not certain as his father died many years ago.....Answers to the questions propounded was that since the Revolutionary War he removed to Kentucky and lived in Greene Co. and afterwards in Caldwell Co., then removed to Marengo Co. in 1818, where he lived until a few weeks ago, when he removed to Sumter Co. He knew Capt. John Moore, Capt. Benjamin Tutt, and officers..

Rev. War Pension Application, Texas, Panola Co., TX, "On this the 10th day of April 1854 personally appeared before, the undersigned, Jane Holland, a resident of the state and county aforesaid, aged eighty five years, who, after being duly sworn, according to law, doth on her oath make the following declaration in order to obtain the benefit of the provisions made by the Act of Congress passed July 4th, A. D. 1836. That she is the widow of John Holland, deceased, who was drummer in the Revolutionary War between the United States and Great Britain. That she further ceclares she was married to the said John Holland on the third day of August in the year of our Lord seventeen hundred and ninety one. That her husband, the aforesaid John Holland, died on the 3rd day of August A. D. 1842, and that she has remained a widow ever since that period as weill more fully appear by reference to the proof hereto annexed. /s/Jane Holland (x, her mark).

Jasper Holland left the Gaston Co., N. C.
area to seek his fortune in the west.
According to all accounts he owned a
general store in Dardanelle and a farm in
Pottsville.

He married Sarah Quinn. According to my
great Mary Umfleet (his eldest grandchild)
he owned more than 100 slaves. I always
found that difficult to believe since that
section of Arkansas is at the foothills of the
Ozarks and it was not likely that large
plantations would be found that far north in
Arkansas. According to all family
knowledge, he and his wife died while all
children were minors. The children returned
to Gaston Co. to lie with relatives. Mary
Umfleet stated to me that an attorney (Mr.
Mason) from Gaston Co. traveled by horse
and wagon. to Arkansas to settle the estate
for the children only to find that the sheriff
and plantation foreman held titles to all
properties.

James Harvey Holland was the only male
child of Jasper Holland. He m. Mary
Elizabeth (Molly) Wilson from York Co., S.
C. It is know that he killed his brother-in-law
over some form of disagreement. To the
best of my knowledge he fled to the
Carolinas and went back west. According to
Mary Umfleet (his daughter and my great
aunt) he killed the sheriff and the plantation
foreman who took title to his father's
property (I have no evidence of this). He did
kill some other people in the area of
Arkansas, Missouri, and/or

Jasper Holland contd....

Illinois. My grandfather would never discuss
this, but Aunt Mary would. he did serve time
in prison in Missouri. I think he died in

Illinois. Of the few people I have met who knew my great grandfather, they have described him as a "man of action".

James Darby Holland and his siblings were raised by different families in York Co., S. C. after their mother had died and their father had fled the county. They were always a close family although none were raised in the same households.

Mary (the eldest) joined her father in the west and remained there the rest of her life. She married Tom Umfleet who owned a small manufacturing company in Mt. Pleasant, Texas, but they bore no children.

Newton Wallace Holland went west to live with his father, but came back to settle in Gaston and York Co. areas.

James Darby Holland, my grandfather, worked most of his younger years as a carpenter. Around 1920 he became the Chief of Police in Clover, York Co., S. C. During the depression he took a position in Gaston Co. as a construction superintendant. He and his siblings were stern people who were very well respected in their communities. He recalls his family telling about Sara Elizabeth Holland going in a wagon to bring her husband, Harrison Ramsey Holland's body home from Rome, Georgia where he died during the War Between the States. he also recalls hearing of the hardships that she endured in the rearing of her four children because everything had been taken from them.
