Sir. Yours of the 5th Inst. addressed to O. G. Worth, one of our firm came to hand a few days ago. We have repeatedly sent to the RR for the flour. but the Agt reports none recd. -

It must still be lying at Old Hundred... or else some mistake has arisen out of the mark & if has been delivered to B. G. Worth, successor to P. M. G. Worth. We will make further inquiry into the matter & report. Salt is now worth \$10.00.
